History of the Common Council of the City of Indianapolis

Indianapolis was established as a town in 1821. It was at this time that a commission, appointed by the legislature, selected this location as a site for a seat of government of the State of Indiana.

The Town of Indianapolis conducted its affairs pursuant to the general laws of the state until 1832. In this year the town was incorporated and was governed by a board of five trustees.

In 1838, pursuant to a special act of the legislature, Indianapolis was re-incorporated and placed in the hands of its first Town Council composed of a president and six members.

The Common Council continued in a large measure to control the affairs of Indianapolis as a town and as a city under various so-called charters or grants of the legislature until 1891.

Under a special act of the legislature of 1891 for the City of Indianapolis, a somewhat different form of government was established. While the Council continued to exercise broad control over the city's affairs, various executive departments of the city were provided, such as Public Works, Public Safety, Public Parks and Public Health, conducted by boards appointed by the Mayor. These boards were granted specific powers and duties concerning the city's business previously exercised by the Council through committees subject, however, in some cases to approval of the Council in all matters of expenditure of money and appropriation of funds by the Council.

For some time prior to 1891 the City of Indianapolis was divided into 25 wards represented by 25 Ward Councilmen. Their term of office was two years and they were eligible for re-election. At this time there was also a separate body operating in conjunction with the Council called the Board of Aldermen, composed of ten Aldermen, representing five Aldermen districts, two being elected from each district.

Under the 1891 act, the Board of Aldermen was abolished and a Common Council of 21 members was established. Fifteen members were elected to represent 15 wards and six members were elected to represent the city at large.

This form of Council continued to exist in Indianapolis under the general cities and towns act of 1905. The act of 1905, while often referred to as the Indianapolis Charter, is very largely a re-enactment of the 1891 Indianapolis Charter, modified to make the Indianapolis system applicable to all classes of cities of the state. The 1905 law increased the term of Mayor and Councilmen to four years and prohibited re-election.

In 1909 a novel Councilmanic law for Indianapolis alone was passed by the legislature. This law limits the number of Councilmen to nine. The law provides for the nomination by each party of six candidates, one from each of six Councilmanic Districts. In the election all of the voters of the City may vote for any nine candidates and the nine receiving the highest number of votes are elected. This law insures a minority representation in the Council of at least three members. In 1949 the legislature amended the statutes to permit Councilmen to succeed themselves.

History of the City-County Council of the City of Indianapolis

In 1969 the legislature enacted a law, popularly known as the "Unigov Act," which consolidated the City and County into one governmental unit. The act further provided for the creation of an interim City-County Council which served as the legislative body for the City and County until the new Council was selected in November, 1971, and took office in January of 1972.

The act provided for the division of the County into twenty-five single member Councilmanic Districts, each district electing one resident from that district. In addition, there were four At-large Councilmen, elected by voters of the entire County.

Unified Government of Indianapolis-Marion County is an attempt to make metropolitan government simpler, more functional and more responsive to citizens' needs. Under the new structure, six major departments replace the more than sixty which were in existence previously.

Mr. Beurt SerVaas, President
and Members of the City-County Council
241 City-County Building
Indianapolis, Indiana 46204

Gentlemen:

I am returning, without my signature, General Ordinance No. 132, 1977, which provides that the County Auditor shall be jointly responsible with the Department of Administration for negotiating group health insurance coverage for city and county employees.

In taking this action, it is not my intention to exclude the Auditor from participation in the decision making process regarding health insurance benefits for city and county employees. Indeed, during the past year the Director of the Department of Administration has scheduled meetings with a number of health benefit providers for the purpose of negotiating the best possible program of benefits for all city and county employees at the lowest possible cost to the taxpayers, and the County Auditor has been invited to all of these meetings. Although he has thus far declined to attend, any expertise the Auditor is willing to offer in the complex process of negotiation of benefits will continue to be solicited.

My reason for failing to sign General Ordinance No. 132 is the clear mandate of the legislation which established Unified Government for the City of Indianapolis and Marion County. That legislation consolidated the purchasing power of the City and County in one authority, with the result that we have a greater efficiency of operating and a concomitant saving of taxpayer dollars. Consolidation of the purchasing function also is a step towards greater accountability in government, a goal which we all share. To the extent authority is clearly placed in a given office, citizens are better able to monitor the performance of that office. Ordinance No. 132 would represent a serious step back from those goals.

Furthermore, I.C. 18-4-4-7 transferred the administrative powers of the County Commissioners to the office of the Mayor. That section provides, in pertinent part, that:

"All powers, rights, titles, interests and authority vested in the board of county commissioners under any law of this state shall be transferred to and vested exclusively in the Mayor of the Consolidated City. . ."

Ordinance No. 132 is directly in conflict, if not with the letter, then surely with the spirit of that provision.

The Corporation Counsel informs me that case law with respect to the office of County Auditor holds that the Auditor can exercise only those powers conferred by the Constitution of the State of Indiana or by statute. In the absence of such constitutional or statutory authority, the Auditor cannot exercise executive, legislative, or judicial functions. Thus, to the extent that Ordinance No. 132 purports to confer upon the Auditor authority additional to that conferred by the state Constitution or by statute, it would appear to be of dubious legality.

For these reasons, I cannot sign this Ordinance.

Very truly yours,

s/William H. Hudnut, III

PROPOSAL NO. 36, 1978. Councilman West presented the committee report for this proposal which raises the Sheriff's department salaries approximately \$1,000 higher than the 1977 budget. The ranks in the Sheriff's department are comparable to those in the Indianapolis Police Department less \$700 since the sheriffs are going to keep their cars. The maximum personnel services was kept constant and additional funds for the Sheriff's department are being investigated. Mr. McPherson commented that if no additional funds were received by that department then the alternatives would be eliminating overtime and/or reducing the staff. The Council recessed to a Committee of the Whole at 8:45 p.m. for public hearing and reconvened at 8:46 p.m. Following discussion and public hearing, Mr. West moved, seconded by Mr. Howard, for the adoption of this proposal. SPECIAL ORDERS — PUBLIC HEARING

[Clerk's Note: The Chair called a two minute recess at 8:06 p.m. and the Council reconvened at 8:16 p.m.]

PROPOSAL NO. 28, 1978. Councilman SerVaas presented a two minute description of the circumstances surrounding this rezoning hearing in accordance with Council Rules. The remonstrators, Driftwood Hills Community Association, were not in attendance when this rezoning case was brought before the Metropolitan Plan Commission. An error in recording the correct date had been made. They therefore felt it should be reheard by the Commission. The petitioners disagree. He also informed the Council that the remonstrators' attorney would not be in attendance due to a serious illness of a family member.

Mr. William Cramer began the petitioners' 20 minute presentation. He represented the Calvin W. Prather Lodge which wished to build a new masonic temple at 8707 Haverstick Road. Mr. Cramer distributed a site plan and a resolution by Union Chapel United Methodist Church in favor of the new lodge. Mr. David King,

secretary of the lodge, spoke next stating that the group has been meeting at another lodge and the average attendance at any of the functions is 15-30 people. Mr. Kenneth Carr, Architect, gave a presentation on drainage which would be sufficient. Finally, Mr. Mike Vulture, Realtor and Appraiser, stated the construction of the masonic temple would not devalue the property.

Mr. Michael Fox, Land Use Chairman, Nora Community Council, addressed the Council for the remonstrators. Mr. George Harley assisted. Mr. Fox stated that he represented the remonstrators on the principal that a proper hearing was not held. He believed it was not consistent land-use planning.

The Council recessed at 9:00 p.m. for public hearing and reconvened at 9:01 p.m. Following public hearing, Council members asked questions. Mrs. Brinkman's motion to return the zoning to the Metropolitan Plan Commission was not adopted because two-thirds of the Commission must vote for the suspension of the rules. After discussion, the petitioner and the remonstrator gave a brief statement encouraging the Council to vote for their stance.

President SerVaas explained that two-thirds or 20 votes were needed to reverse the decision of the Metropolitan Plan Commission. The Commission was upheld on the following roll call vote; viz:

PRESENTATION OF PETITIONS, MEMORIALS, SPECIAL RESOLUTIONS AND COUNCIL RESOLUTIONS

PROPOSAL NO. 51, 1978. This proposal was introduced at the January 23, 1978, meeting, approving Joseph Slash as deputy mayor. Mr. Tinder presented the Rules & Public Policy Committee report recommending his nomination. After discussion, Mr. Tinder moved, seconded by Mr. Bayt, to adopt Proposal No. 51,

1978. The motion carried by unanimous voice vote. Proposal No. 51, 1978, was retitled COUNCIL RESOLUTION NO. 3, 1978, and reads as follows:

CITY—COUNTY COUNCIL RESOLUTION NO. 3, 1978

A COUNCIL RESOLUTION approving the appointment of a person by the Mayor to fulfill the office of Deputy Mayor for the period from February 6, 1978 through December 31, 1978.

WHEREAS, pursuant to IC 18-4-3-4 and the Code of Indianapolis and Marion County Section 2-143, the appointment by the Mayor of a Deputy Mayor is subject to the approval of the City-County Council; and

WHEREAS, the Mayor of the City of Indianapolis has submitted to this Council the name of his appointee for such a position, to serve in office at the Mayor's pleasure; now, therefore:

**BE IT RESOLVED BY THE CITY—COUNTY COUNCIL OF THE
CITY OF INDIANAPOLIS AND OF MARION COUNTY, INDIANA:**

SECTION 1. Joseph A. Slash is approved and confirmed by the City-County Council for the office of Deputy Mayor of the City of Indianapolis for the term beginning February 6, 1978, and ending December 31, 1978, to serve at the pleasure of the Mayor.

PROPOSAL NO. 74, 1978. Mr. Clark introduced and explained the purpose of this proposal. Due to the National Highway Traffic Safety Administration's ruling on fuel economy standards for certain motor vehicles, the "Scout" will not be able to be produced by International Harvester. The result of the NHTSA's decision means the loss of 1,272 jobs at International Harvester in Indianapolis. This proposal encourages the NHTSA to reconsider their standards. Following discussion, Mr. Clark moved, seconded by Mr. Schneider, to adopt Proposal No. 74, 1978. The motion carried by unanimous voice vote. Proposal No. 74, 1978, was retitled SPECIAL RESOLUTION NO. 4, 1978, and reads as follows:

CITY—COUNTY SPECIAL RESOLUTION NO. 4, 1978

A SPECIAL RESOLUTION requesting NHTSA to reconsider fuel economy standards proposed for certain motor vehicles.

WHEREAS, the National Highway Traffic Safety Administration (NHTSA) has proposed average fuel economy standards for 1980-81 covering nonpassenger automobiles (NPA) with gross vehicle weight rating (GVWR) less than 8,500 lbs; and

WHEREAS, in arriving at its proposed standards, NHTSA has failed to take into account the substantial differences between the functions and purposes of NPAs of less than 6,000 lbs, GVWR and 4x4 NPAs within the 6,000 lbs. to 8,500 lbs. range; and

WHEREAS, these differences in function and purpose call for heavier construction of chassis and engines to handle heavy loads in off-highway situations- meaning in turn, longer warm-up times and higher friction required for the improved durability of engines, transmissions, axles and frames; and

WHEREAS, despite these significant differences, NHTSA determined its fuel economy estimates for these NPAs using an equation derived essentially from passenger car data that grossly oversimplify the fuel economy problem faced by manufacturers of 6,000 lbs. to 8,500 lbs. 4x4 NPAs; and

WHEREAS, NHTSA also ignored the provisions of the Motor Vehicle Information and Cost Savings Act that require NHTSA to consider other federal regulations in establishing fuel economy standards — particularly those of the Environmental Protection Agency that, for example, either completely negate or call into serious question such NHTSA assertions that 6 percent and 4.5 percent improvements in fuel economy are readily available from the use, respectively, of super or synthetic lubricants and radial-ply tires; and

WHEREAS, proposed NHTSA fuel economy standards are based on erroneous calculations or assumptions about baseline fuel economy of 4x4 NPAs, about the possibility of timely technological improvement and weight reduction and about the detrimental impact of performance reduction; and

WHEREAS, in addition to imposing such impossible time constraints on manufacturer compliance, the proposed NHTSA fuel economy standards recognize no unusual or unjust competitive disadvantage in compliance by manufacturers who have no lighter NPAs (under 6,000 lbs.) with which to average fuel economy and do not have a light-duty fleet from which to gain technology and hardware; and

WHEREAS, above and beyond their proven value as commercial work vehicles, 4x4 NPAs in the 6,000 to 8,500-lbs. range have repeatedly demonstrated their value in a wide variety of emergencies, both national and local; and

WHEREAS, implementation of the proposed NHTSA fuel economy standards would leave manufacturers with no alternative but to discontinue their production or to pay civil penalties for non-compliance which would inevitably produce the same result by pricing their vehicles out of the market; and

WHEREAS, the result of either action would deprive 1,272 citizens of the Indianapolis Plant of International Harvester of employment and would have a similar deleterious impact in other states where suppliers to and manufacturers of NPAs are located; and, therefore:

**BE IT RESOLVED BY THE CITY—COUNTY COUNCIL OF THE
CITY OF INDIANAPOLIS AND OF MARION COUNTY, INDIANA:**

SECTION 1. That the NHTSA reevaluate its proposed average fuel economy standards for 4x4 NPAs in the 6,000 — 8,500 lbs. range with particular consideration for the real difference in purpose and function between such vehicles and lighter NPAs and passenger cars; for other federal regulations which conflict with or tend to negate those standards; for technological and time-frame feasibility of compliance; for the demonstrated value of these vehicles in a wide variety of both economic and humane activities; and above all, for the negative consequences of its proposed rule-making — consequences measured essentially by employment loss for many communities of this nation and many more inhabitants of those communities.

PROPOSAL NO. 79, 1978. Mr. Tintera introduced this proposal nominating Mr. David McVey to serve on the Economic Development Commission. Following discussion, the proposal was adopted by unanimous voice vote. Proposal No. 79, 1978, was retitled COUNCIL RESOLUTION NO. 4, 1978, and reads as follows:

CITY—COUNTY COUNCIL RESOLUTION NO. 4, 1978

A COUNCIL RESOLUTION confirming an Economic Development Commission appointment effective February 13, 1978.

**BE IT RESOLVED BY THE CITY—COUNTY COUNCIL OF THE
CITY OF INDIANAPOLIS AND OF MARION COUNTY, INDIANA:**

SECTION 1. As a member of the Marion County Economic Development Commission, the Council nominates:

David H. McVey

PROPOSAL NO. 80, 1978. Mr. Rippel introduced and read this proposal appointing Milton Mitnick to the office of Applicant Agent. Mr. Mitnick's position is required by the State and this resolution confirms his appointment as Indianapolis's agent in receiving federal funds for the current snow removal caused by the blizzard. Following discussion, the proposal was adopted by unanimous voice vote. Proposal No. 80, 1978, was retitled **COUNCIL RESOLUTION NO. 5, 1978**, and reads as follows:

CITY—COUNTY COUNCIL RESOLUTION NO. 5, 1978

WHEREAS, the Federal Disaster Assistance Administration director has authorized local heads of government or their designated representatives under contract or purchase order to receive reimbursement for emergency snow removal for seventy-five percent of the actual cost eligible under P.L. 93—288 of snow removal performed by local government; and

WHEREAS, the State Civil Defense Department and the Federal Disaster Administration have established criteria for contracting for snow removal; and

WHEREAS, such criteria requires the legislative body of the local government to appoint an Applicant Agent by resolution; and

WHEREAS, the State Civil Defense Department has recommended that local government appoint Milton Mitnick the director of the Indiana Civil Defense Department as their Applicant Agent; now, therefore:

**BE IT RESOLVED BY THE CITY—COUNTY COUNCIL OF THE
CITY OF INDIANAPOLIS AND OF MARION COUNTY, INDIANA:**

SECTION 1. Milton Mitnick, Governor's Authorized Representative, is hereby authorized to execute for and on behalf of the City of Indianapolis and Marion County, a public entity established under the laws of the State of Indiana, a project application and to file it in the appropriate State Office for the purpose of obtaining Federal financial assistance under the Disaster Relief Act (public Law 288, 93rd Congress), or otherwise available from the President's Disaster Relief Fund as the result of the blizzard conditions of the two days preceding Friday, January 27, 1978.

PROPOSAL NO. 81, 1978. Mr. Gilmer introduced and read this proposal recognizing Traders Point Christian Church for their efforts during the recent blizzard. Mr. Gilmer moved, seconded by Mr. Bayt, for its adoption, which carried by unanimous voice vote. Proposal No. 81, 1978, was then retitled SPECIAL RESOLUTION NO. 3, 1978, and reads as follows:

CITY—COUNTY SPECIAL RESOLUTION NO. 3, 1978

WHEREAS, there was an immediate need for shelter, food, clothing and compassion for those who were stranded; and

PROPOSAL NO. 82, 1978. Mr. Miller and Mr. Rippel introduced this proposal encouraging President Carter to invoke the Taft-Hartley Act in regards to the United Mine Workers strike. Discussion followed. Mr. McGrath responded to a question from Mr. Vollmer, that he believed that Taft-Hartley Act would force the miners to return to work because thousands of dollars of fines would be levied which the union could not afford to pay. Following further discussion, Mr. Miller moved, seconded by Mr. Rippel, to adopt Proposal No. 82, 1978. The motion carried on the following roll call vote; viz:

18 AYES: Mr. Anderson, Mrs. Chambers, Mr. Clark, Mrs. Coughenour, Mr. Dowden, Mr. Durnil, Mr. Gilmer, Mr. Kimbell, Mr. McPherson, Mr. Miller, Mr. Patterson, Mr. Rippel, Mr. Schneider, Mr. SerVaas, Mr. Tinder, Mr. Tintera, Mr. Vollmer and Mr. West.

PROPOSAL NO. 42, 1978. Mr. McPherson reported that Proposals Nos. 42 and 43, 1978, concerned two sewer annexation plans for Marion County. Proposal No. 42 annexed all of Marion County into the sewer district and Proposal No. 43 extended the current sewer district by one-half mile. Mr. McPherson stated that the federal government had mandated a tertiary treatment plan in order to clean White River. Eighty-five percent of the construction would be financed by the government and the other fifteen percent would be financed by the City through the sale of bonds. The rate of the tax levy varied \$.03 to \$.05. Mr. Clark then spoke about the annexation plans. He stated the sewer annexation levy would be paying for (1) the tertiary treatment plant, (2) the sewer interceptors, and (3) the bonded indebtedness. He disagreed with the idea that seven percent of the residents of Marion County would contribute to a service which they would probably never use.

He believed it was a question of minority rights. Mrs. Chambers supported county-wide annexation as allowing the city to grow. Following further discussion, Mr. Schneider moved, seconded by Mr. Dowden, the previous question. The motion failed on the following roll call vote; viz:

12 AYES: Mrs. Chambers, Mrs. Coughenour, Mr. Dowden, Mr. Gilmer, Mr. Hawkins, Mrs. Journey, Mr. Kimbell, Mr. Patterson, Mr. Rippel, Mr. Schneider, Mr. Tinder and Mr. West.

SECTION 5. This Ordinance shall be in full force and effect upon adoption and compliance with IC 18-4-5-2.

The President inquired of the Clerk if petitions requesting the issuance of the bonds which would be authorized by Proposal No. 152, 1978, had been filed with the Council. The Clerk responded that petitions requesting the issuance of such bonds had been filed in numerous counter-parts containing signatures of some 9,435 persons. She further reported that such petitions were in the process of being examined by the Auditor of Marion County to determine the number of signers who were the owners of taxable real estate located within the City of Indianapolis, and she had just received the preliminary certification by the Auditor that at least 6,302 of such signers were owners of taxable real estate within the City.

[Clerk's Note: Later, supplemental certification by the auditor showed an additional 859 of the signatures to be valid owners of taxable real estate within the City.]

Mr. Bayt began the discussion on the tennis complex bond. He expressed his opposition to the project and stated his belief that the money should be spent for human needs, i.e. the Marion County Home. Mr. Howard concurred with Mr. Bayt and further expressed his opinion that the sports facility would become a "white elephant." In support of the tennis stadium, Mr. Clark stated that it takes money to make money, and better facilities would attract more business to Indianapolis which in turn would provide more jobs.

Mr. Schneider then moved, seconded by Mrs. Journey, the following amendment:

CITY-COUNTY COUNCIL MOTION

Mr. President:

I move that City-County Council Proposal No. 152, 1978, be amended as follows:

Add to Section 1 the following:

After one (1) year of operations following completion of the project, any deficits in operation expenses, excluding bond retirement costs, shall be funded by private sources.

s/William Schneider

Mr. David Frick, Deputy Mayor, explained that such an amendment would put the bond in jeopardy. Mr. Schneider believed his amendment was a buffer for the taxpayer. Mr. West stated his opposition to the amendment on the grounds that the second year would be the hardest year to receive money from private sources. The amendment was defeated on the following roll call vote; viz:

10 AYES: Mr. Bayt, Mr. Boyd, Mr. Campbell, Mr. Cantwell, Mr. Hawkins, Mr. Howard, Mrs. Journey, Mr. Pearce, Mr. Schneider and Mr. Walters.

19 NOES: *Mr. Anderson, Mrs. Brinkman, Mrs. Chambers, Mr. Clark, Mrs. Coughenour, Mr. Dowden, Mr. Durnil, Mr. Gilmer, Mr. Kimbell, Mr. McGrath, Mr. Miller, Mr. Patterson, Mr. Rippel, Mr. SerVaas, Mrs. Stewart, Mr. Tinder, Mr. Tintera, Mr. Vollmer and Mr. West.*

Discussion of the bond issue continued with Mr. Walters stating that if improvement of the City's image was one of the Administration's reasons for developing the tennis complex, he was opposed on the basis that he was satisfied with its current image. Mr. Pearce believed the money should be spent in neighborhoods instead of on the new sports facility.

At the request of Mr. Vollmer, Mr. David Frick, Deputy Mayor, explained why the bond issue was one of the City and not one of the County. The bond could not be a Parks Bond because there was one under litigation. The only other category it could be placed into was as a Consolidated City Bond which excluded the incorporated cities in Marion County.

Supporting the bond issues, Mr. Tintera asked the council members to note the versatility the stadium would have and how it would enhance the east bank of White River. Mr. Gilmer said the City had to create its own attractions since the physical attraction was not as great as in other big cities. In doing so, he believed we would stimulate the economy of the County. Mrs. Brinkman concurred.

The Chair announced public hearing at 9:02 p.m., during which each person would have two minutes to express their views. Reverend Charles Colton stated his opposition to the complex, and believed the City should use the money for the poor. In response to a question by Mr. John McLane, Mr. West stated that the revenue inflow would equal the outflow by 1983. Mr. McLane supported the bond issue. Mr. Kirk Gardener, Precinct Committeeman from Wayne Township, expressed his support of the facility. Mr. James C. Barnett, opposed the stadium, and stated his belief that in order to generate funds the City should have pari-mutuel betting and the State should have a lottery. The Council reconvened at 9:12 p.m.

Mr. SerVaas surrendered the gavel to Mr. Clark while he expressed his support for the facility as an asset to the City and to Indiana University—Purdue University Indianapolis.

In summarizing the Public Works Committee report, Mrs. Coughenour said she believed there was no risk to the taxpayer. The program will be administered by the University and the tax base of Center Township will not decline. The facility is

better being built by the City instead of private enterprise because the interest rate is half that which a private business could get, Lilly is matching \$1.5 million, and the University is donating. Following further discussion during which Council members explained their votes, Proposal No. 152, 1978, was adopted on the following roll call vote; viz:

22 AYES: Mr. Anderson, Mr. Boyd, Mrs. Brinkman, Mr. Cantwell, Mrs. Chambers, Mr. Clark, Mrs. Coughenour, Mr. Dowden, Mr. Durnil, Mr. Gilmer, Mr. Hawkins, Mr. Kimbell, Mr. McGrath, Mr. Miller, Mr. Patterson, Mr. Rippel, Mr. Schneider, Mr. SerVaas, Mrs. Stewart, Mr. Tinder, Mr. Tintera, and Mr. West.

6 NOES: Mr. Bayt, Mr. Howard, Mrs. Journey, Mr. Pearce, Mr. Vollmer and Mr. Walters.

1 NOT VOTING: Mr. Campbell.

SECTION 4. As soon as can be done after the passage of this ordinance, the Clerk shall give notice of the filing of the petition for and determination to issue bonds. Such notice shall be published once each week for two weeks in two newspapers of general circulation published in the City of Indianapolis, and shall also be posted in three public places in the City, as provided by IC 6-1.1-20-4 and IC 6-1.1-20-5.

In the event a remonstrance shall be filed by the owners of taxable real estate under the provisions of IC 6-1.1-20-4, then no further steps towards the issuance of said bonds shall be taken unless and until the City-County Council shall have determined that such remonstrance is insufficient. In the event an objecting petition or petitions are filed by taxpayers under the provisions of IC 6-1.1-20-6, then no further steps towards the issuance of the bonds shall be taken unless and until the State Board of Tax Commissioners shall issue its order and approving the issuance of such bonds. In the event it shall be determined by the State Board of Tax Commissioners, or otherwise, that the whole amount of the bonds herein authorized shall not be issued, then the Controller shall be authorized to advertise and sell a lesser amount of bonds, and the bonds not issued and sold shall be the bonds of the longest maturity or maturities.

SECTION 5. Prior to the sale of bonds the Controller shall cause to be published a notice of such sale once each week for two weeks in two newspapers of general circulation which are published in the City of Indianapolis and which represent different political parties. Such notice or a summary thereof may, in the discretion of the Controller, be published one time in The Bond Buyer, a financial journal published in the City and State of New York. The date fixed for the sale shall not be earlier than seven (7) days after the last of the publications in the Indianapolis newspapers. The bond sale notice shall state the time and place of sale, the purpose for which the bonds are being issued, the total amount thereof, the maximum rate of interest thereon, the time and place of payment, the terms and conditions on which bids will be received and the sale made, and such other information as the Controller shall deem necessary.

All bids for bonds shall be sealed out and shall be presented to the Controller at his office, and the Controller shall continue to receive all bids offered until the hour named on the day fixed in the bond sale notice, at which time and place he shall open and consider each bid. Bidders for the bonds shall be required to name the rate or rates of interest which the bonds are to bear, not exceeding seven per cent (7%) per annum, and such interest rate or rates shall be in multiples of one-eighth (1/8) or one-tenth (1/10) of one per cent (1%), and not more than four (4) different interest rates shall be named by each bidder. All bonds maturing on the same date shall bear the same single rate of interest, and the interest due on any bond on any interest payment date shall be represented by a single interest coupon. The interest rate bid on the bonds in any maturity shall be equal to or greater than the interest rate bid on the immediately preceding maturity. The Controller shall award the bonds to the highest responsible and qualified bidder. The highest bidder shall be the one who offers the lowest net interest

cost to the City, to be determined by computing the total interest on all of the bonds to their maturities and deducting therefrom the premium bid, if any. No bid for less than the par value of said bonds, including accrued interest at the rate or rates named to the date of delivery, will be considered. The Controller shall have full right to reject any and all bids. In the event no acceptable bid is received at the time fixed in the notice for the sale of said bonds, the Controller shall be authorized to continue to receive bids from day to day thereafter for a period of not to exceed thirty (30) days, without readvertising, but during such continuation no bid shall be accepted which is lower than the highest bid received at the time fixed for such sale in the bond sale notice.

Prior to the delivery of the bonds the Controller shall be authorized to obtain a legal opinion as to the validity of the bonds from Ice Miller Donadio & Ryan, bond counsel of Indianapolis, and to furnish such opinion to the purchaser of the bonds. The cost of this opinion shall be considered a part of the costs of the project, and shall be paid out of the proceed of the sale of the bonds.

SECTION 6. The Controller is hereby authorized and directed to have such bonds and coupons prepared, and the Mayor, Controller and Clerk are hereby authorized and directed to execute the bonds and the interest coupons to be attached thereto in the form and manner herein provided. After the bonds have been properly executed, the Controller and the Treasurer of Marion County, ex officio Treasurer of the City of Indianapolis shall deliver the bonds to the purchasers in the manner provided in IC 18-1-4-3.

SECTION 7. This ordinance shall be in full force and effect immediately upon its passage.

PRESENTATION OF PETITIONS, MEMORIALS, SPECIAL RESOLUTION AND COUNCIL RESOLUTIONS

At this time, Mr. Boyd read the following statement concerning the appointment of Mr. Don E. Christensen to serve on the Indianapolis Human Rights Commission, to wit:

CONCERNS RELATED TO THE NOMINATION AND APPOINTMENT OF MR. DON E. CHRISTENSEN TO THE INDIANAPOLIS COMMISSION ON HUMAN RIGHTS

The Administration Committee of the Indianapolis City-County Council met on April 20, 1978 and, under the chairmanship of the twenty-fifty district councilman, considered proposed ordinance 166 — a proposal to appoint Mr. Don Christensen to the Indianapolis Commission on Human Rights. The attached minutes of that meeting have been approved by the chairman as an accurate record of the proceedings.

Although it cannot be determined from the records of the meeting whether biographical information was considered by the committee, it can now be determined that the resume' which was distributed to some councilpersons on April 24, is seriously lacking as a document designed to help in the consideration of a candidate for a public position.

On April 24, at a regularly scheduled meeting of the City-County Council proposal 166, sponsored by the councilman from the 15th district, was put before the council for final approval. This item appeared as the final formal action on an agenda which ran nearly to the midnight hour. The public assembly room which was full earlier in the evening was then nearly empty and even the media, reacting to thier own deadline and a very long day, were generally not available to witness the clumsy explanations and defense of this "midnight appointment."

The greatest insult here is not to procedural dignity of this body nor is it to the private and corporate citizens of this community who look to the Commission for a redress of grievances. The greatest insult is to Mr. Christensen himself — slipperhorned as it were, into a public position midst the speculation and questionable motives of his sponsors and engineers. Indeed, his sponsors and engineers have done him a great disservice by maneuvering him into position and expecting him to perform with efficiency and the helpful respect of his colleagues. If on the other hand, greater efficiency is not a concern, then other assessments need to be made. Although these circumstances alone might not be totally incriminating to the process by which this appointment was consummated, the deliberate and apparent control of information is.

In order that attention might not be diverted away from the substance of this issue, let me reestablish the public position I took when this nomination came before the full Council. The process issue is not whether Mr. Christensen is still actively a member of the American Party. The process issue is whether those persons responsible for bringing the nomination before the Council acted with integrity and responsibility either in deliberately withholding information from the Council or in making the assessment themselves that the information was unimportant.

It would seem important that Mr. Christensen has served as Eleventh Congressional District Chairman for the American Party, that he at one time announced his intention to run for Secretary of State on the American Party ticket, and that he was the American Party candidate for the fifteenth district City Council seat. This is not incidental information and its omission from Council proceedings should present many questions. This is not an effort to prescribe what a person believes. It is, rather, concern that these beliefs do not find expression in the specific places where they have ben constitutionally and legislatively excluded. In the same manner that one would have to question the wisdom of electing to a public school board a person who does not believe in free public education or appointing to a zoning commission one who considers zoning

laws to be government interference in the free movement of citizens, so it would seem equally unwise to appoint to a human rights commission one whose identifiable beliefs contradict the purpose of that commission. Outside a persons religious foundation, few elements identify him/her better than his/her political existence.

As any voter can attest, it is often hard to determine the basic character of a political party. It is possible, however, to determine a generally accepted core philosophy by examining official party platform positions, general media coverage and pronouncements by major party personalities. I invite your attention to the following.

1. In the American Party's 1968 platform the party indicated that the average American (whom they purport to represent) was "dismayed when they (political leaders) desert the principles of government and dedicate themselves to minority appeasement as the country decays."

2. The 1972 Platform suggests that the U.S. use as its sole criteria in establishing international friendships whether the country is Communistic and that this country should not concern itself with the human rights problems of Rhodesia, South Africa or any other nation.

3. The 1972 Platform refers to women's liberation as an "insidious socialistic plan designed to take women for their homes, family, and property."

4. The general themes of all their platforms have been:

- a. that it is a function of state government to determine voting eligibility and the Federal government should not be involved.
- b. that government should not regulate the manner in which private property is sold, rented or otherwise disposed of — that there should be no intervention in determining housing patterns.
- c. that there should be minimal effort made to integrate minorities into the work force by impacting trade and union practices. In short, their position is against the 1964 Civil Rights Act, one of the landmark pieces of civil rights legislation.

5. During a press conference in 1970 Don Mantooth, then the American Party's Marion County Chairman, and Dan L. Lee, Sixth District Chairman and 1968 elector for Gov. George Wallace, both confirmed that they accepted George Wallace as their national leader. The positions of Gov. Wallace on race are well chronicled and need no elaboration here.

6. Don Mantooth, on more than one occasion, put the American Party on record as being against forced integration.

7. As recently as the last general election, Lee, who became state chairman in 1973, referenced "welfare loafers" as one of our biggest tax burdens.

The following is excerpted from chapter 16, Sec. 2 of the Indianapolis Code and represents this city's official and statutory mission in the area of human rights. There are areas of both apparent and possible conflict with the posture of the American Party.

The purpose of this chapter shall be as follows:

- (1) To promote equality of opportunity for education, employment, access to public conveniences and accomodation, and acquisition through purchase or rental of real property, including but not limited to housing, without regard to race, sex, religion, color, national origin or ancestry, through reasonable methods that do not create that which is sought to be eliminated;
- (2) To eliminate segregation or separation based solely on race, sex, color, religion or national origin, since segregation is an impediment to equal opportunity;
- (3) To protect employers, labor organization, employment agencies, property owners, real estate brokers, builders, lending institutions, governmental and educational agencies and other persons from unfounded charges of discrimination.

For those who would suggest that my whole consideration of this issue may be unfair indictment or that there is no way to determine whether the concerns I raise really apply, I would grant that possibility. This situation only serves to underline, however, the basic criticism, viz., that Republican blatant disregard for the committee system, the Human Rights Commission, and due process of this council did not allow the full and sober consideration of these concerns at the time and in the place where they should have been considered. No effort has been made to determine whether Mr. Christensen's membership separation from the American Party was also a basic philosophical separation.

I would respectfully ask of Republican leadership that there be formal response to the concerns I here raise. If formal response seems unwarranted, I hope that the Human Rights Commission will take note. The Commission will have to decide for itself whether there has been encroachment upon its integrity, deliberate effort toward the slow erosion of its effectiveness, or merely toy-like and casual regard for its role.

Following Mr. Boyd's statement, discussion ensued during which Mr. Miller stated that Mr. Christensen's appointment was discussed during a public hearing at the Administration Committee meeting on April 20. He further noted that the minority members of the committee voted to recommend the appointment of Mr. Christensen to the Human Rights Commission. Following further discussion, Mrs. Chambers moved, seconded by Mr. Gilmer, to proceed with the agenda. The motion carried by unanimous voice vote.

PROPOSAL NO. 181, 1978. Mr. Miller reported that the Administration Committee recommended striking this proposal so that the housing program could get full funding in 1979. This program will be heard in conjunction with the budget hearings. He then moved, seconded by Mrs. Chambers, to strike the proposal. The motion carried by voice vote.

PROPOSAL NO. 182, 1978. Mr. Miller explained this proposal which appropriated \$8,428,311 for the Employment and Training Division, was in three sections: (1) corrects Fiscal Ordinance No. 8, 1978, by transferring \$85,738 from character 10 to character 21; (2) re-encumbers 1975, 1976, and 1977 unspent funds of \$6,010,000 by cancelling unused purchase orders; and, (3) adds approximately \$1,566,000 based on a letter of credit availability from the Department of Labor.

Mr. Miller then moved to amend Proposal No. 182, 1978, by reducing the total to \$6,000,000 and changing line 6, of Section 4, to read "5,149,262". The motion was seconded by Mr. Gilmer. Mr. Miller's reasoning behind the proposed cut was disagreement of some of the programs funded. Mr. Howard and Mr. Walters suggested returning the proposal to the committee for further study. At Mr. West's request, Mr. Fred Armstrong, City Controller, stated that no city summer program would be cut because of the reduction. Mr. Miller's amendment was then adopted on the following roll call vote; viz:

PROPOSAL NO. 16, 1978. Mr. West, Chairman of the Public Safety & Criminal Justice Committee reported this proposal revised the penal code so that it conformed with state law. He then moved, seconded by Mr. Rippel, to amend Proposal No. 16, 1978, by deleting the introduced copy and inserting therefor the Revised Committee Version and by inserting the words "Within the Police Special Service District, it" in line 888 of Sec. 20-187. The words "and to repair facilities" would be added after the word "manufacturers" in line 903 of Sec. 20-187. The motion carried by voice vote.

Mr. Tintera then moved, seconded by Mr. Dowden, to strike Sec. 20-187, which prohibited the use of firearms within the Police Special Service District. He believed this section was unnecessary and could be dictated by state law. The motion failed upon first vote for a lack of majority; viz:

Mr. West called Mr. Steve Goldsmith, City Legal Division, to testify as to the ramifications of deleting Sec. 20-187 from the penal code. Mr. Goldsmith stated that firing a gun could be done anywhere in the city because state law was lenient concerning this provision. Mr. Durnil then moved, seconded by Mr. West, to reconsider Mr. Tintera's amendment to delete Sec. 20-187. The motion carried on the following roll call vote; viz:

16 AYES: Mr. Anderson, Mrs. Brinkman, Mr. Campbell, Mrs. Chambers, Mr. Clark, Mr. Durnil, Mr. Gilmer, Mr. Kimbell, Mr. McGrath, Mr. Miller, Mr. Patterson, Mr. SerVaas, Mrs. Stewart, Mr. Tinder, Mr. Walters and Mr. West.

SEC. 10 1/2-33. PROFESSIONALLY PREPARED AND CERTIFIED DRAINAGE PLANS.

A drainage plan fulfilling the requirements of this section shall be submitted to the Department of Public Works for approval before a drainage permit can be obtained to accomplish a land alteration, unless the land alteration is such that a drainage permit can be obtained in accordance with Sec. 10 1/2-34.

The drainage plan must be submitted in duplicate, and shall indicate in a precise way the work to be accomplished pursuant to the drainage permit. One copy of the drainage plan will remain on file in the Department of Public Works. The Following information must be submitted for approval:

(a) Construction features. The drainage plan shall demonstrate and describe surface and subsurface drainage and include the following:

(1) Scale; arrow; contours and USGS bench marks. The drainage plan shall be drawn to scale, preferably one inch per 50 feet, and an arrow indicating North shall appear on each page. Existing land contours shall be shown, with one foot contours for land with a slope flatter than 10%, two foot contours for slopes equal to or greater than 10% but flatter than 20% and five foot contours for slopes equal to or greater than 20%. A bench mark, which is easily accessible and relocatable, shall be shown. The bench mark may be assumed at the discretion of the Director if the area contains less than three (3) acres, but otherwise shall be determined by USGS Datum.

(2) Location and vicinity map. A map which indicates the location and vicinity of the proposed land alteration shall be included in the drainage plan.

(3) Existing and proposed drainage facilities. The drainage plan shall show the locations of all existing and proposed drainage facilities. Storm drains and manholes and other structures shall be located in the plans by dimensions from traverse lines, property markers or road center lines. However, the areas where physical features are not available, coordinates of manholes and bearings of storm drains shall be based either on the State of Indiana's coordinate system or other acceptable horizontal and vertical datum. If applicable, the drainage plan should show the direction of flow, elevation of inverts, gradient, size and capacity of existing and proposed storm drains. When using existing storm drains, the capacity shall be indicated.

(4) Plan and profile. The plan shall be shown at the upper portion of the drawing. The plan, generally, shall be drawn on a scale of one (1) inch equals 50 feet. The plan shall show appropriate right-of way and easement limits. The profile shall be shown under the plan and shall extend a sufficient distance downstream of the outlet to allow any pertinent information concerning the outfall channel to be shown.

The storm drain and inlet profile shall generally be drawn on a scale of one (1) inch equals 50 feet horizontal, one (1) inch equals five (5) feet vertical.

Where a storm drain is located in an existing or proposed pavement or shoulder, the centerline grade of the road shall be shown. Where a storm drain is located outside pavement or shoulder, existing ground over the storm drain with proposed grading shall be shown.

If the storm drain is to be constructed on fill, the profile of the undisturbed earth (at drain location) shall be shown.

(b) Design calculations. Design calculations are required as part of the drainage plan and shall specifically include:

(1) Estimation of Storm Water Run-off:

- a. Drainage Area Map (scale 1-inch 200 feet) indicating contours at 2 foot intervals and limits of 100 year flood plain, where applicable.
- b. Weighted Run-off Coefficient Computations.
- c. Time of concentration computation indicating overland flow time and flow time in swale, gutter, pipe or channel.

(2) Close Conduit and Open Channel Design Computations:

- a. Size of pipe or channel cross-section.
- b. Pipe or channel invert's slope in percent.
- c. Roughness coefficient.
- d. Flowing velocities in feet per second.
- e. Design capacity in cubic feet per second.

(3) Head Loss Computations in Manholes and Junction Chambers.

(4) Hydraulic Gradient Computations, wherever applicable.

(5) Erosion Control Methods.

Such design calculations shall conform with the standards of Article III, Division 5 of this Chapter 10 1/2 and all regulations promulgated thereunder.

(c) Additional information. The Director shall be empowered to require such additional information to be included in a drainage plan that is necessary to evaluate and determine the adequacy of the proposed drainage facility.

(d) Certification required. All drainage plans submitted under this section to the Department of Public Works for approval must be certified by a registered professional engineer, land surveyor or architect, engaged in storm drainage design under whose supervision the plans were prepared. The Certificate shall be in the following form:

SEC. 10 1/2-34. WHEN PROFESSIONALLY PREPARED AND CERTIFIED DRAINAGE PLAN NOT REQUIRED.

A drainage plan that does not contain as much information as drainage plans prepared to fulfill the requirements of Sec. 10 1/2-33 and that is not prepared or certified by a registered professional engineer, land surveyor or architect, engaged in storm drainage design, may be submitted when:

- (1) No part of the parcel or property for which the drainage permit is requested is in an impacted drainage area, and
- (2) The primary basis on which a drainage permit is required is the construction, enlargement or location, on a permanent foundation, of a one-family dwelling, two-family dwelling or accessory structure appurtenant to either a one or two-family dwelling.

The drainage plan must be submitted in duplicate and shall indicate the nature and location of all work to be accomplished pursuant to a drainage permit. The drainage plan must be neat, accurate and readable. One copy of the drainage plan will remain on file in the Department of Public Works. The following information must be submitted for approval under this section:

- (1) The legal description and the street address for the property.
- (2) The dimensions and borders of the parcel.
- (3) The name and address of the owner.
- (4) An arrow indicating North.
- (5) Location of all existing and proposed improvements, structures and paved areas on the site.
- (6) Existing and proposed grading showing positive drainage by contouring or sufficient spot elevations.
- (7) Location of all existing or proposed swales, ditches, culverts, drainage channels, surface and subsurface drainage devices and the direction of the flow.

The drainage plan shall include information necessary to demonstrate conformity with all drainage requirements of Article III of this Chapter. The plot map shall illustrate the surface drainage pattern of the site away from structures and the final distribution of surface water off-site, either preventing or planning for surface ponding.

Notwithstanding other provisions of this section, submission of a drainage plan shall not be required as a precondition for obtaining a drainage permit in the instance of a one or two-family dwelling constructed in a subdivision for which a plat has been approved in accordance with the Subdivision Control Ordinance, 58-AO-13 as amended and for which a drainage plan meeting the requirements of Section 10 1/2-33 has been approved (and a permit issued) under this chapter, so long as the permit applicant certifies that the land alteration shall be accomplished in compliance with the specifications and information found on the approved plat and on such drainage plan. Any deviations from the drainage provisions as approved in the plat and drainage plan for the subject plot must be submitted to the Department of Public Works for approval by the Director and the Director may require the submission of plans or other information relative to the deviation which may be required as a precondition to approval by the Director.

SEC. 10 1/2-35. DURATION OF DRAINAGE PERMIT.

If the land alteration for which the permit has been issued has not commenced within two (2) years from the date of its issuance, the permit shall expire by operation of law and no longer be of any force or effect; provided, however, the Director of the Department of Public Works may, for good cause, shown in writing, extend the validity of the permit for an additional period of time. If the drainage activity is only partially completed and no substantial land alteration has occurred on the site for a period of one (1) year, the permit shall expire by operation of law and no longer be of any force or effect; provided, however, the Director may, for good cause, shown in writing, extend the validity of such permit to allow completion of the work.

SEC. 10 1/2-36. DEVIATION FROM THE PLAN.

Any significant deviation or change in the detailed plans and specifications after granting of the drainage permit shall be filed in duplicate with and approved by the Director of the Department of Public Works prior to the time land alteration involving the change occurs. Copies thereof, if approved, shall be attached to the original plans and specifications.

SEC. 10 1/2-37. DETERMINATION OF IMPACTED DRAINAGE AREAS.

(a) The Board of Public Works is authorized, but is not required, to classify certain geographical areas as Impacted Drainage Areas and to enact and promulgate regulations for land alteration in Impacted Drainage Areas, in addition to regulations which are applicable generally. Such classifications and regulations may be later modified or rescinded by the Board of Public Works.

(b) Action of the Board of Public Works to classify or declassify any area as an Impacted Drainage Area, or to promulgate, repeal or modify any regulation in regard thereto, shall be in compliance with the requirements of Article III, Division 2 of this Chapter, regarding promulgation, repeal and modification of regulations generally.

(c) In determining Impacted Drainage Areas, the Board of Public Works shall consider such factors as topography, soil type and distance from adequate drainage facilities. The following areas shall be designated as Impacted Drainage Areas, unless good reason for not including them is presented to the Board of Public Works:

1. A floodway or floodplain designated by the Metropolitan Development Commission in Zoning Ordinance of Marion County, Indiana.
2. Land within 75 feet of each bank of any legal drain.
3. Land within 50 feet of each bank of a natural drainageway, including a river, stream, gully, ditch or other definite natural watercourse.
4. Land where there is not an adequate outlet, taking into consideration the capacity of depth of the outlet.

(d) A map identifying Impacted Drainage Areas shall be retained in the office of the Department of Public Works, and shall be made conveniently available to member of the public during regular business hours.

DIVISION 3. BONDS, COVENANTS AND EASEMENTS

SEC. 10 1/2-40. REQUIREMENT OF POSTING OF BOND.

The Director may as a prerequisite to the issuance of a drainage permit, require the posting of a performance bond from a company licensed by the State of Indiana to provide such surety, upon which the principal may be the owner of the affected land, the developer, or any other party or parties the Director believes necessary or helpful. Such bond shall name the City of Indianapolis and County of Marion as parties who can enforce the obligations thereunder, and shall be in an amount established by the Director as adequate to provide surety for the satisfactory completion of the improvements required by the drainage permit. In the instance of platting, such bond may be a part of the total bonding required by the Plats Committee of the Metropolitan Development Commission.

In instances where the Director has required a performance bond pursuant to this section, the Director may, as an alternative to the posting of such bond accept other appropriate security, such as a properly conditioned irrevocable letter of credit, which meets the same objectives as the performance bond described in this section, subject to approval of any other department or agency whose interests are protected by the same bonding requirement.

SEC. 10 1/2-41. REQUIREMENT OF EXECUTION OF COVENANT.

Where the Director shall determine that such is necessary in order to achieve satisfactory present and future drainage of the parcel of land for which a drainage permit is sought and the area surrounding that parcel, the Director may, as a prerequisite to the issuance of a drainage permit, require the execution of covenants and/or easements running in form of the City of Indianapolis and County of Marion by the owner or owners of such parcel. As a minimum in such cases, the Director shall require that the following covenant be executed by the owner or owners of such land which will be included in a recorded plat:

"It shall be the responsibility of the owner of any lot or parcel of land within the area of this plat to comply at all times with the provisions of the drainage plan as approved for this plat by the Department of Public Works of the City of Indianapolis and the requirements of all drainage permits for this plat issued by said Department."

SEC. 10 1/2-42 REQUIREMENT OF DEDICATION OF EASEMENT

The Director may, as a prerequisite to issuance of a drainage permit, require the dedication of easements to the City of Indianapolis and to owners of other affected lands by the owner of the parcel of land (relative to which application for a drainage permit has been made) where such is necessary to achieve satisfactory present and future drainage of the parcel and the area surrounding the parcel.

The power to make investigations and inspections of land alterations shall be vested in both the Director and the Administrator of the Division of Buildings and his authorized representatives.

(a) Investigation and inspection of land alteration may be made at any time by going upon, around or about the premises on which the land alteration has occurred.

(b) Such investigation and inspection may be made either before, during or after land alteration is completed and it may be made for the purposes, among others, of determining whether the land alteration meets drainage requirements and ascertaining whether the land alteration has been accomplished in a manner consistent with plans and specifications or a certificate filed pursuant to Sec. 10 1/2-50.

(c) Efforts to afford an opportunity for investigation and inspection of the land alteration shall be made by persons working on or having control of the land

alteration, including making available a copy of plans and specifications submitted to obtain a drainage permit.

DIVISION 6. ENFORCEMENT

SEC. 10 1/2-70. FEES FOR PERMITS OBTAINED AFTER COMMENCEMENT OF WORK.

If work for which a drainage permit is required by this chapter is commenced by the permit applicant without compliance with the provisions of Sec. 10 1/2-30, the permit fee shall be double the applicable amount stated in Sec. 10 1/2-90, and if work for which a permit is required is completed or is substantially completed by the permit applicant without compliance with the provisions of Sec. 10 1/2-30, the permit fee shall be ten times the applicable amount stated in Sec. 10 1/2-90, provided, however, that the maximum fee incurred under this section shall be three hundred dollars (\$300.00) plus the amount of the normal fee for the permit.

This sanction shall in no way limit the operation of penalties provided elsewhere in this division.

SEC. 10 1/2-71. REVOCATION OF PERMITS.

The Director may revoke a drainage permit where the application, plans or other supporting documents required by Sec. 10 1/2-32 reflect either:

SEC. 10 1/2-72. STOP—WORK ORDER.

Whenever the Director or the Administrator of the Division of Buildings or his authorized representative discovers the existence of any of the circumstances listed below, he is empowered to issue an order requiring the suspension of the land alteration. The Stop-Work Order shall be in writing and shall state to what land alteration it is applicable and the reason for its issuance. One copy of the Stop-Work Order shall be posted on the property in a conspicuous place and one copy shall be delivered to the permit applicant, and if conveniently possible to the person doing the land alteration and to the owner of the property or his agent. The Stop-Work Order shall state the conditions under which land alteration may be resumed. A Stop-Work Order shall be issued if:

- (a) Land alteration is proceeding in an unsafe manner, or
- (b) Land alteration is occurring in violation of a drainage requirement and in such manner that if land alteration is allowed to proceed, there is a probability that it will be substantially difficult to correct the violation; or
- (c) Land alteration has been accomplished in violation of a drainage requirement and a period of time which is one-half the time period in which land alteration could be completed, but no longer than fifteen calendar days has elapsed since written notice of the violation or non-compliance was either posted on the property in a conspicuous place or given to the person doing the land alteration, without the violation or non-compliance being corrected; or
- (d) Land alteration for which a drainage permit is required is proceeding without a drainage permit being in force. In such an instance, the Stop—Work Order shall indicate that the effect of the order terminates when the required drainage permit is obtained.

This sanction shall in no way limit the operation of penalties provided elsewhere in this division.

SEC. 10 1/2-73. CIVIL ACTION.

The City of Indianapolis may initiate a civil action in a court of competent jurisdiction to restrain any person, partnership or corporation accomplishing a land

alteration from violating a drainage requirement or plans and specifications filed in order to obtain a drainage permit. The City of Indianapolis may also initiate a civil action in a court of competent jurisdiction to restrain any person, partnership or corporation which owns land from allowing a drainage requirement or plans and specifications files in order to obtain a drainage permit to be violated when a land alteration is accomplished. The purposes for which injunctive relief may be sought shall include, but not be limited to:

MINIMUM STANDARDS FOR LAND ALTERATIONS
NOT ACCOMPLISHED RELATIVE TO A ONE OR
TWO-FAMILY DWELLING OR ACCESSORY STRUCTURE**

SEC. 10 1/2-120. CONFORMANCE WITH MINIMUM STANDARDS AND REGULATIONS.

Land alteration accomplished other than in conjunction with the construction, enlargement or location, on a permanent foundation, in an non-impacted area, of a one-family dwelling, two-family dwelling or accessory structure appurtenant to either one or two-family dwelling shall be in accordance with standards found in this Division 3 and in accordance with regulations adopted by the Board of Public Works which are pertinent to these standards.

SEC. 10 1/2-121. CONFORMITY TO OTHER LEGAL REQUIREMENTS.

Land alteration shall be carried out in conformity with covenants executed in connection with rezoning cases, commitments, variance condition, plat restrictions and building code standards of the Administrative Building Council.

SEC. 10 1/2-122. DRAINAGE TO ADEQUATE RECEIVING PLACE.

A drainage facility shall be provided which allows drainage of water run-off from each upper watershed area and from each portion of the parcel to a place or places adequate to receive it.

SEC. 10 1/2-123 CHARACTERISTICS OF DRAINAGE FACILITY.

The drainage facility shall:

- (a) Be capable of accommodating a 10-year rainfall intensity or a rainfall of greater intensity, without endangering the public safety and health, or causing significant damage to property.
- (b) Be durable.

- (c) Be easily maintained.
- (d) Be safe to persons.
- (e) Retard sedimentation.
- (f) Retard erosion.

SEC. 10 1/2-124. ACCOMMODATION OF RUNOFF WITHIN PARCEL.

The part of the drainage facility situated within the parcel, in addition to complying with the requirements stated under Sec. 10 1/2-123 shall:

(A) Drain each and every part of the parcel.

(B) Be sufficient to accept:

1. The water runoff from the parcel after development, and
2. The present water runoff from developed areas upstream, and
3. The present water runoff from undeveloped areas upstream, and
4. That part of the water runoff attributable to future development in undeveloped areas upstream, which is not reasonably likely to be accommodated in such upstream areas. The nature of the future development shall be that projected by the Comprehensive Land Use Plan for Marion County adopted by the Metropolitan Development Commission or that allowed by current zoning districts, whichever reflects the more intense use. The amount of water runoff not accommodated in connection with such future development shall be determined by good engineering practice, and may assume use of retention-detention systems except for:

- a. Land alteration for which a permit is not required by this chapter, and

MODIFICATIONS OF SPECIAL ORDERS

Mrs. Chambers moved, seconded by Mr. Howard, to advance Proposals Nos. 121 and 205, 1978, on the agenda for the convenience of the citizens attending the meeting. Consent was given.

PROPOSAL NO. 121, 1978. Mr. Tinder, Chairman, Rules & Public Policy Committee, reported that the committee recommended passage of this proposal creating Martin Luther King, Jr.'s birthday as a paid city holiday. In the following discussion, Mr. Clark stated another holiday for city employees would cost \$350,000. He therefore moved, seconded by Mr. Tintera, to amend Proposal No. 121, 1978, by the insertion of a revised Proposal No. 121, 1978. In essence, the revised proposal adopted Martin Luther King, Jr.'s birthday as a city holiday and eliminated the personal day from the city calendar. Mr. Boyd and Mr. Howard stated their dissatisfaction with the amendment as not giving Martin Luther King, Jr., enough respect. Mr. West spoke in favor of the amendment because the personal day was initially given in order that some employees could use it on Martin Luther King, Jr.'s birthday. Mr. Dowden moved, seconded by Mr. Bayt, to call the question. Mr. Howard moved, seconded by Mr. Bayt, to recess for a five minute caucus. Consent was given after the vote on Mr. Clark's amendment. After clarification for Mr. Boyd that January 15th would be an official city holiday, Mr. Boyd stated his support of the amendment. The amendment was adopted by unanimous voice vote.

By consent of Mr. Howard and Mr. Bayt, the motion to recess for a caucus was withdrawn. The Chair called for the vote on Proposal No. 121, 1978, As Amended, and Mr. Dowden explained his opposition to the proposal because of its being a racial issue. Proposal No. 121, 1978, As Amended, was then adopted on the following roll call vote; viz:

24 AYES: Mr. Bayt, Mr. Boyd, Mrs. Brinkman, Mr. Campbell, Mr. Cantwell, Mrs. Chambers, Mr. Clark, Mrs. Coughenour, Mr. Durnil, Mr. Gilmer, Mr. Hawkins, Mr. Howard, Mrs. Journey, Mr. Kimbell, Mr. McGrath, Mr. Miller, Mr. Pearce, Mr. SerVaas, Mrs. Stewart, Mr. Tinder, Mr. Tintera, Mr. Vollmer, Mr. Walters and Mr. West.

4 NOES: Mr. Anderson, Mr. Dowden, Mr. Rippel and Mr. Schneider.

Proposal No. 121, 1978, As Amended, was retitled GENERAL ORDINANCE NO. 68, 1978, and reads as follows:

CITY—COUNTY GENERAL ORDINANCE NO. 68, 1978

A GENERAL ORDINANCE commemorating the birth date of Dr. Martin Luther King, Jr., by making said date a City holiday.

WHEREAS, Dr. Martin Luther King, Jr., was born on the 15th day of January, 1929; and,

WHEREAS, certain states observe his birthday as a state holiday and certain municipalities observe his birth date as a local holiday; and

WHEREAS, the Indianapolis Public Schools do observe January 15th as a school holiday; now, therefore:

**BE IT ORDAINED BY THE CITY—COUNTY COUNCIL OF THE
CITY OF INDIANAPOLIS AND OF MARION COUNTY, INDIANA:**

SECTION 1. The "Code of Indianapolis and Marion County," be amended by substituting the following new subsection (a) in Section 23-32.

(a) The following are designated as city holidays; namely,

**New Years Day (January 1)
Martin Luther King Day (January 15)
Presidents Day (3rd Monday of February)
Good Friday (Friday preceding Easter)
Memorial Day (last Monday of May)
Independence Day (July 4th)
Labor Day (1st Monday of September)
Thanksgiving Day (4th Thursday of November)
Friday after Thanksgiving Day
Christmas Day (December 25th)
Primary Election Day and**

General Election Day in years of state and municipal elections

and all employees shall receive full pay for such days. Employees who are employed in functions which must necessarily be continued on holidays shall receive compensatory leave or overtime for work on holidays as determined by the competent authority of each office.

PROPOSAL NO. 205, 1978. Mr. Durnil presented a summary of the proposal. Passage of this proposal would permit housing authority to build 334 single, double or quadruplex units throughout the county. A private developer would construct the units and then sell them to housing authority. The Metropolitan Development Committee sent the proposal to the Council without recommendation. During discussion, Mr. Schneider stated his opposition to scattered-site housing on the basis of its poor success record and the fact that the city would be surrendering part of its self government. Mrs. Chambers and Mr. Howard stated their support of the measure. Mr. Tintera clarified that "scattered" did not necessarily mean scattered to the suburbs. Mr. Durnil voiced his opposition to the proposal based on the fact that of 350 vacant public housing units, 300 were caused to be uninhabitable by the previous tenants. Mrs. Journey called Mr. Fred Thomas of Housing Authority to speak. He stated the success of projects such as this one in the southwest. After questioning from Council members, Mr. Thomas confirmed that Indianapolis would probably lose its 1979 Community Development funds if this proposal was defeated and that Council would not approve zoning of these sites. Mr. Clark stated that the Council had requested Section 8 money and was refused. He did not want the compromise. The motion was then made and seconded to call the question. The question was called by unanimous voice vote. Proposal No. 205, 1978, then failed for a lack of a majority on the following roll call vote; viz:

14 AYES: Mr. Bayt, Mr. Boyd, Mr. Campbell, Mr. Cantwell, Mrs. Chambers, Mr. Hawkins, Mr. Howard, Mrs. Journey, Mr. Kimbell, Mr. Pearce, Mr. Tinder, Mr. Tintera, Mr. Vollmer and Mr. West.

14 NOES: *Mr. Anderson, Mrs. Brinkman, Mr. Clark, Mrs. Coughenour, Mr. Dowden, Mr. Durnil, Mr. Gilmer, Mr. McGrath, Mr. Miller, Mr. Rippel, Mr. Schneider, Mr. SerVaas, Mrs. Stewart and Mr. Walters.*

[Clerk's Note: The Chair called a five minute recess at 8:45 p.m. to clear the Chambers. The Council reconvened at 9:00 p.m.]

SPECIAL ORDERS – PUBLIC HEARING

Proposal No. 146, 1978. Mr. Tintera reported that the staff had confirmed that there would be sufficient funds for the assessors, and he then moved the adoption of this proposal which creates a fund to finance the pre-planning of third round economic development funds. Mr. Schneider, in order to decrease the shortage in the County General Fund, moved to amend Proposal No. 146, 1978, by deleting the figure "298,120" and inserting in lieu thereof the figure "150,000." Mr. Tintera stated he would support the amendment; however, the increase in assessed valuation would help the deficit in the County General Fund by \$200,000. Mr. Schneider's amendment was then adopted by voice vote. The Council recessed to a Committee of the Whole at 9:09 p.m. for public hearing, and reconvened at 9:10 p.m. Following public hearing, Proposal No. 146, 1978, As Amended, was adopted on the following roll call vote; viz:

MODIFICATIONS OF SPECIAL ORDERS

PROPOSAL NO. 205, 1978. Since there were approximately 100 people from the south side concerned about Proposal No. 205, 1978, Mrs. Coughenour moved, seconded by Mr. Howard, to advance this proposal on the agenda. Consent was given.

[Clerk's Note: At the request of Mr. Tintera, the Chair consented to a five minute recess at 7:41 p.m. The Council reconvened at 7:50 p.m.]

Following the recess, Mr. Schneider moved, seconded by Mrs. Coughenour, to strike Proposal No. 205, 1978. Mr. West then moved, seconded by Mrs. Journey, to return the proposal to the Metropolitan Development Committee. Mr. West explained that there was still confusion concerning this proposal for scattered-site housing and that the City would lose \$11-\$13 million in federal funds if it were not passed. In answer to Mrs. Brinkman, Mr. Durnil stated that the requirements for the housing were the same for handicapped persons. Mr. Schneider spoke opposing the proposal because the citizens of Indianapolis do not want it, and if passed, he felt the City would be knuckling under to the federal government. Mr. Clark commented that he believed that no new information would be uncovered. In support of the motion to return the proposal to committee, Mr. Tintera wanted to know HUD's alternatives if the Council strikes the proposal.

Mr. Gilmer moved, seconded by Mr. Tintera, the previous question. The motion carried by unanimous voice vote. Proposal No. 205, 1978, was then returned to committee on the following roll call vote; viz:

18 AYES: Mr. Bayt, Mr. Boyd, Mrs. Brinkman, Mr. Campbell, Mr. Cantwell, Mrs. Chambers, Mr. Gilmer, Mr. Hawkins, Mr. Howard, Mrs. Journey, Mr. Patterson, Mr. Pearce, Mr. Rippel, Mr. Tinder, Mr. Tintera, Mr. Vollmer, Mr. Walters and Mr. West.
9 NOES: Mr. Clark, Mrs. Coughenour, Mr. Dowden, Mr. Durnil, Mr. McGrath, Mr. Miller, Mr. Schneider, Mr. SerVaas, and Mrs. Stewart.

PROPOSAL NO. 222, 1978. Mrs. Chambers explained that there were state representatives in the chambers to hear Proposal No. 222, 1978. She then moved, seconded by Mr. Vollmer, to modify the orders of business to hear Proposal No. 222, 1978. The motion carried on the following roll call vote; viz:

16 AYES: Mr. Bayt, Mr. Boyd, Mrs. Brinkman, Mr. Campbell, Mr. Cantwell, Mrs. Chambers, Mr. Gilmer, Mr. Hawkins, Mr. Howard, Mrs. Journey, Mr. Patterson, Mr. Pearce, Mr. SerVaas, Mrs. Stewart, Mr. Vollmer and Mr. West.

Mrs. Chambers confirmed that all concerned parties had been notified that this proposal would be heard at the Council meeting. In response to Mr. West's question as to whether the bus tax would be an additional tax or offset in property tax, Mr. Vollmer responded by reading Special Resolution No. 9, 1977. The Chair then called, State Representative Donaldson, District 33, Chairman of the Cities and Towns Committee. Representative Donaldson acknowledged the problem of Metro but stated that an employment tax for people who would not use the transportation system would create friction between Marion County and the surrounding counties. He committed himself to attacking the problem during the next General Assembly. Senator Borst would sponsor a bill to solve the immediate problem of Metro. Following discussion during which Mrs. Chambers stated her encouragement by the presence of the senators and representatives that positive action would be taken concerning Metro, she moved, seconded by Mr. Vollmer, to return the proposal to committee until the first meeting in December. The motion carried by unanimous voice vote.

PROPOSAL NO. 245, 1978. Mr. Tintera moved, seconded by Mr. Schneider, to advance Proposal No. 245, 1978, on the agenda. The motion carried by unanimous voice vote. Mr. Tintera, reporting for the Acting Committee Chairman, Mr. Anderson, stated that this proposal was a transfer of funds for the realignment of salaries for the County Surveyor and the Lawrence Township Assessor. Following discussion, the proposal was adopted on the following roll call vote; viz:

20 AYES: Mr. Boyd, Mrs. Brinkman, Mr. Campbell, Mrs. Coughenour, Mr. Durnil, Mr. Gilmer, Mr. Hawkins, Mrs. Journey, Mr. McGrath, Mr. Patterson, Mr. Pearce, Mr. Rippel, Mr. Schneider, Mr. SerVaas, Mrs. Stewart, Mr. Tinder, Mr. Tintera, Mr. Vollmer, Mr. Walters and Mr. West.

The first years rental fee shall be ten dollars (\$10.00) per foot of the zone, and a sixty-five dollar (\$65.00) installation cost. Thereafter, the annual rental fee shall be ten dollars (\$10.00) per foot of the zone. The department of transportation shall furnish and cause signs to be located and maintained at each end of the zone and mark the zone by distinctive paintings on the curb as authorized by the transportation board. The signs shall be of uniform general design throughout the city and in compliance with the criteria as described in the Indiana Manual On Uniform Traffic Control devices. The department of transportation shall not issue the permit or place such signs, or cause the zone to be marked and designated, until the person requesting its establishment shall have presented to the permit section of the department of transportation payment of the first years rental fee and installation cost.

(d) The annual rental for the markers and the zone collected pursuant to subsection (c) shall be used to defray the expenses of furnishing and erecting such markers, for keeping them in repair and painted, and for properly marking, designating and inspecting the passenger and loading zones. The rentals so paid shall be kept by the city controller in a separate fund for such purposes. Any balance remaining in the fund, and not required to be held to pay any authorized expense then incurred and unpaid, shall revert to the general fund at the end of any year. The annual rentals shall be due and payable by the tenth day of each January, provided however, the first years rental for any zone so established prior to September first shall be the full amount of the annual rental for the markers and zone, as required by this section, and shall cover the period from the establishment of such zone to the thirty-first day of December next following; one-half of the annual rental shall be paid for any zone established on or after the first day of September. The markers shall be and remain the property of the city and shall be removed or ceased to be removed by the board of public safety. The use of any such zone shall be terminated, either upon failure of the owner or occupant of the premises to pay the annual rental on or before the first day of March of each year for the markers and zone, or upon an order of the board abolishing any such zone, in its discretion. All permits subject to this section shall be issued upon such conditions.

The annual rental for the markers and zone collected pursuant to subsection (c) shall be used to defray the expenses of furnishing and erecting such signs, for keeping them in repair and painted, and for properly marking, designating and inspecting the passenger and material loading zones. The fees so paid shall be deposited in the accounts of the City of Indianapolis. The permit shall be issued for a period of one year. The holder of the permit may renew the permit for another year by notifying the permit section of the department of transportation no less than thirty (30) calendar days in advance of the expiration date of the permit and presenting to the permit section of the department of transportation for payment of the amount of rental fee within thirty (30) calendar days after the expiration date of the permit. The signs shall be, and remain, the property of the city and shall be removed, or caused to be removed, upon the approval of the transportation board on the recommendation of the chief traffic engineer. The use of such zones shall be terminated, either upon failure of the owner or occupant of the premises to pay the annual rental within thirty (30) days of the expiration date of the permit for the signs and zones, or upon an order of the transportation board abolishing any such zone in its discretion. All permits subject to this section shall be issued upon such conditions subject to the final approval of the City-County Council.

(e) No passenger zone or loading zone shall be established or maintained within twenty-five (25) feet of a street intersection or fire hydrant; and no such zone shall be established which will conflict with any safety zone, bus zone or taxicab stand previously established.

(f) All passenger zones and loading zones established and all permits therefor which are in effect at the time of the taking effect of this Code shall be continued in full force and effect, but such zones and all subsequently permitted zones shall be at all times subject to all police powers of the city thereafter and no one shall possess any vested rights to continue any such zone, if it is ordered abolished by the board. Any permit may be revoked by the mayor, upon the recommendation of the board, in the manner that licenses are revoked, but until revoked, all such permits issued shall remain in effect. The city controller shall maintain a list of all such zones which shall be available for public inspection at all times.

All passenger zones and material loading zones established and all permits therefor which are in effect at the time this amendment to the Code becomes effective shall be continued in full force and effect; but such zones and all subsequently permitted zones shall be at all times subject to all police powers of the city thereafter and no one shall possess any vested rights to continue any passenger or material loading zone, if it is ordered abolished by the transportation board. The permit section of the department of transportation shall maintain a list of all such zones which shall be available for public inspection at all times.

BE IT ORDAINED BY THE CITY—COUNTY COUNCIL OF THE CITY OF INDIANAPOLIS AND OF MARION COUNTY, INDIANA:

PROPOSAL NO. 232, 1978. Mr. Rippel reported that this proposal regulated the types of materials that could be transported on the inner loop of the interstate. He then moved the following amendment:

CITY-COUNTY COUNCIL MOTION

Mr. President:

I move to amend Proposal No. 232, 1978, as follows:

In Sec. 29-433, line 7, after the words "Flammable solid," add the words "DANGEROUS WHEN WET (label only)."

In Sec. 29-434, line 6, after the period, add the following sentence: "Any language change of this ordinance shall be subject to the approval of the City-County Council."

In Sec. 29-436, line 9, change the first "would" to "shall".

s/Richard Rippel

The motion carried by unanimous voice vote. Discussion ensued during which Mr. Durnil stated he believed the regulation of vehicles is the duty of the federal government. In response to a question by Mr. Vollmer, Robert Elrod, General Counsel, said that concerning such vehicle regulation the federal government acquiesces to the state and local governments. Mr. Tom Williams, representative of the Indiana Motor Truck Association, stated the Association felt the regulation was unnecessary because the percentage of accidents is very low in the trucking industry. Such regulations will cause inconvenience in segregating cargo and rerouting trucks. Mr. Tintera then moved, seconded by Mrs. Chambers, the previous question. Mr. SerVaas stated his support of the lessor-lessee system now being used at the airport. Following further discussion, Proposal No. 219, 1978, was adopted on the following roll call vote; viz:

23 AYES: Mr. Bayt, Mr. Boyd, Mrs. Brinkman, Mr. Campbell, Mrs. Chambers, Mr. Clark, Mr. Dowden, Mr. Durnil, Mr. Gilmer, Mr. Howard, Mrs. Journey, Mr. McGrath, Mr. Miller, Mr. Patterson, Mr. Pearce, Mr. Schneider, Mr. SerVaas, Mrs. Stewart, Mr. Tinder, Mr. Tintera, Mr. Vollmer, Mr. Walters and Mr. West.

Mr. President:

I move to amend Proposal No. 180, 1978, as follows:

In Section 3, line 5, delete "21. Contractual Services", and insert in lieu thereof, "25. Current Obligations".

In Section 5, line 2, delete the words "not only".

s/Allen Durnil

The motion carried by unanimous voice vote. Mr. West then stated his belief that grants should be used more sparingly and a grant and loan program would be better use of funding. July 18, 1978

TO THE HONORABLE PRESIDENT AND MEMBERS OF THE CITY-COUNTY COUNCIL OF THE CITY OF INDIANAPOLIS AND MARION COUNTY, INDIANA:

Ladies and Gentlemen:

FISCAL ORDINANCE NO. 73, 1978, amending the CITY-COUNTY ANNUAL BUDGET FOR 1978 and appropriating an additional two hundred thousand dollars in the Park General Fund for purposes of the Department of Parks & Recreation and reducing the unappropriated and unencumbered balance in the Park General Fund.

FISCAL ORDINANCE NO. 78, 1978, amending the CITY-COUNTY ANNUAL BUDGET FOR 1978 and transferring and appropriating an additional thirty-six thousand eight hundred eighty-three dollars in the City Market Fund for purposes of the City Market Division and reducing certain other appropriations for the City Market Division.

GENERAL ORDINANCE NO. 79, 1978, amending City-County General Ordinance No. 61, 1977, (as amended by General Ordinance No. 43, 1978), to increase the salaries and number of personnel authorized for Perry Township.

Respectfully submitted,

s/William H. Hudnut, III
MAYOR

At this time, President SerVaas introduced Mayor William H. Hudnut, III, who presented the city portion of the 1979 City-County Annual Budget. The Mayor stated that he believed that Indianapolis is in better fiscal condition than almost any other major urban area in the nation. This fact is supported by Indianapolis's "AAA" bond rating by Moody's Investments, Inc. of New York City.

Mayor Hudnut explained that the budget, which he described as lean but fair, was particularly difficult to compose this year for three basic reasons. The first being, that the traditional sources of outside revenue have been reduced or eliminated completely, i.e., Federal Community Development money for 1979 will be \$4.4 million less than 1978. Secondly, inflation is running rampant. All the City's utility costs have increased. Thirdly, the sentiment of the voters that there is too much fat in government spending. The public feels that government spending must be reduced, and their willingness to live with the consequences of reduced services.

The 1979 City Budget calls for spending of \$208.7 million as compared with the 1978 Revised Budget of \$228 million — almost a ten percent reduction. This results in some reduction of local services. The budgets of the department of Parks & Recreation, Metropolitan Development, DOT, and Administration all have been cut under last year's. Although increased snow capabilities have been budgeted, the price is in the form of fewer miles of street resurfacing next year. The Department of Public Safety received a proposed increase spending of \$3 million over 1978. The increase is to provide adequate Police and Fire protection.

Mayor Hudnut concluded by stating that last year City government accounted for less than one-third of the total property tax rate paid by taxpayers. This year he has tried again to hold the line on spending, but that it would lead to some curtailment of City services.

REZONING ORDINANCE NO. 119, 1978 77-Z-161 (77-DP-3) WASHINGTON TWP.

George Sandefur by Robert Borns by James R. Nickels, Attorney, One Indiana Square
No. 2050 requests rezoning of 30.73 acres, being in D-2 district, to D-P classification to permit a Planned Unit Development.

PROPOSAL NO. 332, 1978. Mr. Miller had requested the public hearing of this proposal at the July 31st meeting. Mr. Miller opened the public hearing at 8:08 p.m. by explaining that the neighbors that lived near the proposed rezoning site of 7502 South Shelby were concerned about the implications of developing the area commercially. Mr. James R. Nickels, attorney for the petitioners, Mr. and Mrs. Daniel C. Seckel, then explained with the aid of an opaque projector that the Seckels property was zoned commercially on all sides and in order for them to sell the property at a reasonable rate, rezoning to commercial status was necessary.

Mr. Frank Sisson, representative for the neighborhood, then spoke stating that their concerns included the additional traffic and the gradual progression of commercial development along Shelby Street.

During Council discussion, Mr. Miller said that the neighborhood would not object to a commercial zoning of either C-1 or C-3-C, in lieu of the proposed C-3. Mr. Bruce Brown, Administrator, Division of Planning and Zoning, explained that C-1 and C-3-C zonings included the development of small office buildings, whereas a C-3 classification also included restaurants and gas stations. When asked, Mr. Nickels expressed his dissatisfaction with either of those types of zonings.

Mr. Miller moved, seconded by Mr. Durnil, to amend Proposal No. 332, 1978, by allowing the rezoning to include only C-1 or C-3-C classification. The motion failed on the following roll call vote; viz:

11 AYES: Mr. Anderson, Mrs. Chambers, Mr. Clark, Mr. Dowden, Mr. Durnil, Mr. Miller, Mr. Schneider, Mr. SerVaas, Mrs. Stewart, Mr. Tinder and Mr. Tintera.

1 NOT VOTING: Mr. Lyons.

The question was then called on Proposal No. 332, 1978. The petitioner was sustained and the proposal adopted on the following roll call vote; viz:

20 AYES: Mr. Anderson, Mr. Boyd, Mrs. Brinkman, Mr. Campbell, Mr. Cantwell, Mrs. Coughenour, Mr. Gilmer, Mr. Hawkins, Mrs. Journey, Mr. Kimbell, Mr. Lyons, Mr. McGrath, Mr. Patterson, Mr. Pearce, Mr. Schneider, Mr. SerVaas, Mrs. Stewart, Mr. Tintera, Mr. Vollmer and Mr. West.

6 NOES: Mrs. Chambers, Mr. Clark, Mr. Dowden, Mr. Durnil, Mr. Miller and Mr. Tinder.

Proposal No. 332, 1978, was retitled REZONING ORDINANCE NO. 120, 1978, and reads as follows:

INTRODUCTION OF GUESTS

Mrs. Chambers invited all citizens opposing the proposed cut in funding for Multi-Service Centers to stand.

MOTION TO ADOPT SPECIAL AGENDA

Because citizen interest in hearing the budget was great, Mr. Clark made the following motion:

CITY-COUNTY COUNCIL MOTION

Mr. President:

I move that the order of business on the special agenda distributed to all Council members be adopted as the order of business for this meeting.

s/Richard F. Clark

The motion carried unanimous voice vote.

PROPOSAL NO. 324, 1978. Mr. West moved, seconded by Mrs. Chambers, to postpone Proposal No. 324, 1978, until the Council meeting of September 25, 1978. The motion failed on a voice vote. Mr. Howard then moved, seconded by Mrs. Journey, to hear Proposal No. 324, 1978, at this time. The Chair ruled that it failed upon a voice vote; however, the motion carried on the following roll call vote; viz:

14 AYES: Mr. Anderson, Mr. Campbell, Mr. Cantwell, Mr. Clark, Mr. Dowden, Mr. Gilmer, Mr. Hawkins, Mr. Howard, Mrs. Journey, Mr. McGrath, Mr. Patterson, Mr. Pearce, Mr. Schneider, and Mr. Vollmer.

13 NOES: Mr. Boyd, Mrs. Brinkman, Mrs. Chambers, Mrs. Coughenour, Mr. Durnil, Mr. Kimbell, Mr. Lyons, Mr. Miller, Mr. SerVaas, Mrs. Stewart, Mr. Tinder, Mr. Tintera and Mr. West.

Mr. West, Chairman of the Public Safety & Criminal Justice Committee, opened the discussion by saying that Ms. Wanda Hummel from the motorcyclists association, ABATE, felt that the helmet law was an infringement on each cyclists' freedom; however, Dr. Frank Johnson of Health & Hospital Corporation, felt that a helmet provided some kind of protection when coming in contact with the pavement. Mr. Kimbell as a proponent of the ordinance then reserved the right to close the discussion. Mr. West, Mr. Howard, Mrs. Coughenour, and Mrs. Brinkman then stated their opinion opposing the proposal on the basis that there need to be laws which benefit the citizens, and that the statistics prove that there are more fatalities with unhelmeted motorcycle riders. Mrs. Brinkman also pointed out that Representative Ned Lamkin is going to introduce a proposal to the state legislature requiring the wearing of helmets.

Some of the proponents of the measure, Mr. McGrath, Mr. Hawkins, and Mr. Gilmer, mentioned that since Marion was the only county in the State with such a law, it was an exercise in futility to enforce it. Many attempts at enforcement were police harrassment. Mr. Kimbell summarized by stating that some physicians believe a cheap helmet is worse than no helmet at all, with only one county in the State having such a law confusion is created, and it burdens the police with undue responsibility. He then moved the adoption of this repealing ordinance. The motion carried on the following roll call vote; viz:

15 AYES: Mr. Anderson, Mr. Campbell, Mr. Cantwell, Mrs. Chambers, Mr. Clark, Mr. Dowden, Mr. Durnil, Mr. Gilmer, Mr. Hawkins, Mrs. Journey, Mr. Kimbell, Mr. Lyons, Mr. McGrath, Mr. SerVaas and Mr. Tintera.

12 NOES: Mr. Boyd, Mrs. Brinkman, Mrs. Coughenour, Mr. Howard, Mr. Miller, Mr. Patterson, Mr. Pearce, Mr. Schneider, Mrs. Stewart, Mr. Tinder, Mr. Vollmer and Mr. West.

Proposal No. 324, 1978, was retitled GENERAL ORDINANCE NO. 88, 1978, and reads as follows:

CITY—COUNTY GENERAL ORDINANCE NO. 88, 1978

A GENERAL ORDINANCE repealing the mandatory requirement that any person operating a two-wheel motorcycle, motor scooter or other vehicle of the same general class must wear on his head a safety crash helmet.

**BE IT ORDAINED BY THE CITY—COUNTY COUNCIL OF THE
CITY OF INDIANAPOLIS AND OF MARION COUNTY, INDIANA:**

SECTION 1. Sec. 29-353 of the "Code of Indianapolis and Marion County," be, and is hereby repealed.

SECTION 2. This ordinance shall be in full force and effect from and after its adoption.

**SPECIAL ORDER — PUBLIC HEARING
1979 BUDGET**

PROPOSAL NO. 330, 1978. The Council members introduced themselves to the public. The Chair then called a public hearing at 7:51 p.m. on the budget, and stated that each member of the public would be allotted two minutes.

Councilwoman Chambers introduced various members of the public to speak against the reduction in the Multi-Service Center funding: State Representative William Crawford, encouraged Council members to be more sympathetic to human needs. Other members of the public who encouraged the restoration of multi-service center funds were Dorothy Unger, Indianapolis Settlement; Dorothy Berths, Citizens Multi-Service Center; the President of UNWA; Mr. Ron Johnson, Forest Manor Multi-Service Center; Duan Etena, President of NESCO and Director of the Urban League; Mrs. Ollie Wheats, NAACP; and representatives from the Hispano Community and Southwest Multi-Service Center.

The restoration of \$100,000 for the Marion County Association of Retarded Citizens was then supported by Mr. Jack Collins, Executive Director and a staff member, Mr. Ottinger. Mrs. Nellie Hofmichael also spoke in favor of the reinstatement of the \$100,000.

Members of the public then spoke in favor of increasing the budget for the Human Rights Commission. The necessity for such a commission on the local level and the inability for the staff to cover the quantity of cases were reasons given for the increase. Speaking were Lonnie Spearman, Chairman of the Indianapolis Human Rights Commission; Becky Ransburg; Priscilla Neidler, President of NESCO; Dr. A. D. Pickney and William Ransom, NAACP Board; David Klinkkose, Human Rights Relations, Cripus Attacks High School; and Homer Smith, State Coordinator, NAACP Housing Committee.

The Council reconvened at 8:39 p.m. Mr. Clark then explained that the amendment to the budget he was supporting basically established salaries in all departments to achieve a 3% increase on January 1, 1979 and a 3% increase on July 1, 1979. Elected officials salaries were increased for the first time in four years and therefore were increased as much as 18% in some cases. Nearly all budgets were approved at Level 1 funding (austerity). He then moved, seconded by Mr. Miller, the following amendment:

CITY-COUNTY COUNCIL MOTION

Mr. President:

I move to amend Proposal No. 330, 1978, by deleting the proposal as introduced and substituting in lieu thereof the draft entitled "Proposal No. 330, 1978, Committee Recommendations", and amending technical errors in that draft as follows:

s/Richard F. Clark

The motion carried on a voice vote.

Mrs. Chambers moved to amend the budget as follows:

Mrs. Chambers explained that she pursued this course of action because the monies which were removed from the multi-service centers were appropriated to Transportation and Parks departments. Discussion ensued during which Mrs. Brinkman voiced her support of the motion and Mr. Clark his opposition. Mr. Kimbell then moved, seconded by Mr. Miller, the previous question. The motion carried on a voice vote. The Chair then called a roll call vote on Mrs. Chambers amendment. The motion failed, as follows; viz:

SPECIAL ORDERS – PUBLIC HEARING

PROPOSAL NO. 380, 1978. President SerVaas explained the procedures for public hearings for zonings as provided in Sec. 2-112 of the Code. At 7:30 p.m., Mr. Gilmer was then called upon to begin this public hearing on zoning in regards to property located at 3710 West 86th Street. Councilman Gilmer opened by stating

that the remonstrator was not given the requested continuance at the September 6th meeting of the Metropolitan Plan Commission. The rezoning passed the Commission and the remonstrator was denied sufficient time to settle differences with the petitioner.

Mr. Richard L. Besore, attorney for the petitioner, stated that aSU-20 classification was the normal classification received by Indiana Bell Telephone for Electronic Switching Stations. The zoning petition was passed by the Commission on a vote of 7 to 0. The remonstrator contends that the subject property should be zoned heavily commercial; otherwise, the zoning will have a detrimental effect on his property. Mr. John Jameson, Independent Appraiser, testified for the petitioner that the switching station would have no detrimental effect on the remonstrator's property. (The petitioner had 8 minutes and 45 seconds remaining for rebuttal).

The attorney for the remonstrator, Mr. Robert Dalrymple, explained that all adjoining properties to the land at 3710 West 86th Street were commercially zoned C-4 or C-5, and that a SU-20 classification would adversely effect the value of his client's property. He then introduced the remonstrator, Mr. Gastineau, the property owner, who contended that the trend in that area was toward more commercialization and once the property is zoned, it cannot be rezoned for a higher use.

After questions from the Council, Mr. Besore concluded by stating the Station would be a heavy tax producing source, and that Indiana Bell had no alternative but to request a SU-20 classification. In his conclusion, Mr. Dalrymple requested defeat of the proposal. Mr. Gilmer summarized by stating that he believed the area should be commercially zoned and questioned the necessity of Indiana Bell's Electronic Switching Station being located in such a prominent location. He then moved for the defeat of this proposal.

President SerVaas explained that a "aye" vote sustained the Metropolitan Plan Commission's decision and a "no" vote defeated the proposal. Proposal No. 380, 1978, was then adopted on the following roll call vote; viz:

14 AYES: Mr. Boyd, Mr. Campbell, Mr. Cantwell, Mr. Durnil, Mr. Howard, Mr. Kimbell, Mr. Lyons, Mr. McGrath, Mr. Miller, Mr. Pearce, Mr. Tintera, Mr. Vollmer, Mr. Walters and Mr. West.

SPECIAL RESOLUTIONS AND COUNCIL RESOLUTIONS**

PROPOSAL NO. 423, 1978. Councilman Howard introduced and read this proposal commending President Carter for his efforts in promoting peace in the Middle East during the Camp David Summit. Mr. West then moved, seconded by Mr. Howard, to amend this proposal in the second "Whereas" clause by deleting the word "ensure" and substituting the word "initiate"; and in Section 1 by deleting the words "which might result in peace" and substituting the words "offering new confidence for peace". The motion carried by unanimous voice vote. During discussion, Mr. Tintera stated his opposition to the proposal on the basis that it did not concern the business of Indianapolis. Mr. Miller expressed his opinion that international affairs have an effect on the citizens. Proposal No. 423, 1978, As Amended, was then adopted by voice vote, retitled **SPECIAL RESOLUTION NO. 17, 1978**, and reads as follows:

CITY-COUNTY SPECIAL RESOLUTION NO. 17, 1978

A SPECIAL RESOLUTION commending President Carter.

WHEREAS, the President of the United States has long demonstrated his interest in peace in the Middle East and throughout the world; and

WHEREAS, President Carter recently concluded the "Camp David Summit" with President Anwar Sadat of Egypt and Prime Minister Menachem Begin of Israel, resulting in various agreements to initiate the formulations and executions of a peace treaty; now, therefore:

**BE IT RESOLVED BY THE CITY—COUNTY COUNCIL OF THE
CITY OF INDIANAPOLIS AND OF MARION COUNTY, INDIANA:**

SECTION 1. The City-County Council, on behalf of its members and for the citizens of Indianapolis and Marion County, commends President Jimmy Carter for a successful summit offering new confidence for peace in the Middle East.

SECTION 2. The Mayor of the City of Indianapolis is invited to join in the expression of this resolution by affixing his signature hereto.

SECTION 3. The Clerk of the Council is hereby instructed to suitably inscribe a copy of this resolution for delivery to President Jimmy Carter.

PROPOSAL NO. 431, 1978. Mr. Clark introduced this proposal authorizing the Mayor and other city officials to appeal to the State Board of Tax Commissioners the action of the County Board of Tax Adjustment. In response to questions from councilmen, Mr. Robert Elrod, General Counsel, stated that it was necessary to pass this proposal today because state law only provides ten days to appeal the action of the County Board of Tax Adjustment. Changes by the County Tax Board included removing \$10,000 from the City-County Council budget and \$9,000 from City Legal's budget, and redistributing the money to the budgets of the Human Rights Commission and the Marion County Association of Retarded Citizens. Mr. SerVaas stated that as a former member of the County Board of Tax Adjustment, the Board may only cut budgets, not raise them. Following discussion during which Mr. Cantwell voiced his opposition to the passage of this proposal, Proposal No. 431, 1978, was adopted on the following roll call vote; viz:

19 AYES: Mr. Anderson, Mrs. Brinkman, Mrs. Chambers, Mr. Clark, Mrs. Coughenour, Mr. Dowden, Mr. Durnil, Mr. Gilmer, Mr. Kimbell, Mr. Lyons, Mr. McGrath, Mr. Miller, Mr. Patterson, Mr. Schneider, Mr. SerVaas, Mrs. Stewart, Mr. Tinder, Mr. Tintera, and Mr. West.

9 NOES: Mr. Boyd, Mr. Campbell, Mr. Cantwell, Mr. Hawkins, Mr. Howard, Mrs. Journey, Mr. Pearce, Mr. Vollmer and Mr. Walters.

Proposal No. 431, 1978, was retitled COUNCIL RESOLUTION NO. 16, 1978, and reads as follows:

CITY—COUNTY COUNCIL RESOLUTION NO. 16, 1978

A COUNCIL RESOLUTION authorizing the appropriate officers of the City of Indianapolis to appeal to the State Board of Tax Commissioners for an increase in the tax rate and levy as fixed by the County Board of Tax Adjustment and for an approval of a tax rate and levy sufficient to fund certain appropriations as originally submitted to the Marion County Board of Tax Adjustment.

WHEREAS, on September 29, 1978, the Marion County Board of Tax Adjustment modified and reduced the budget of the City of Indianapolis for the calendar year 1979; and

WHEREAS, unless the tax rate and levy are increased to provide funding for the budgets as submitted to the Marion County Board of Tax Adjustment, the City and those agencies whose budget is approved by the City-County Council will have insufficient funds to carry out their governmental functions during the calendar year 1979; and

WHEREAS, the City may appeal to the State Board of Tax Commissioners the decision of the County Board of Tax Adjustment by filing a statement of objections with the State Board of Tax Commissioners within ten days after publication by the County Board of Tax Adjusters of the notice of tax rates; and

WHEREAS, the City-County Council must authorize the filing of the statement of objections by adopting a resolution; now, therefore:

**BE IT RESOLVED BY THE CITY—COUNTY COUNCIL OF THE
CITY OF INDIANAPOLIS AND OF MARION COUNTY, INDIANA:**

SECTION 1. The Mayor of the City and the President of the City-County Council are hereby authorized to prepare and file a statement of objections with the State Board of Tax Commissioners, thereby appealing for an increase in the tax rate and levy relevant to all budgets adopted or approved by the City-County Council in a manner which is sufficient to fund those budgets as originally submitted to the Marion County Board of Tax Adjustment.

SECTION 2. The Mayor of the City and the President of the City-County Council are hereby authorized to prepare and file a statement of objections with the State Board of Tax Commissioners, thereby appealing for a reestablishment of all budgets adopted or approved by the City-County Council as originally submitted to the Marion County Board of Tax Adjustment.

SECTION 3. The Mayor of the City and the President of the City-County Council are hereby authorized to execute such documents and furnish such information as may be necessary or proper to initiate and prosecute the appeal authorized by this ordinance.

PROPOSAL NO. 435, 1978. Councilman Howard introduced and read this proposal commending the Tuskegee Alumni Association for its service to the Tuskegee Institute. Mr. Howard also announced that Mr. John Ford, Mayor of Tuskegee, Alabama, will be visiting Indianapolis on October 21st, the 100th anniversary of the Institute. He then moved, seconded by Mrs. Chambers, its adoption. The motion carried by unanimous voice vote. Proposal No. 435, 1978, was retitled SPECIAL RESOLUTION NO. 18, 1978, and reads as follows:

CITY—COUNTY SPECIAL RESOLUTION NO. 18, 1978

WHEREAS, Tuskegee Institute will celebrate its 100th anniversary on October 21, 1978; and

WHEREAS, the Tuskegee Indianapolis Alumni Association will celebrate this occasion by bringing to the City the Honorable John Ford, Mayor of the City of Tuskegee, Alabama, in an effort to raise much needed scholarship funds; now, therefore:

**BE IT RESOLVED BY THE CITY—COUNTY COUNCIL OF THE
CITY OF INDIANAPOLIS AND OF MARION COUNTY, INDIANA:**

SECTION 1. That the Indianapolis, Marion County, City-County Council on behalf of the City of Indianapolis commends the Tuskegee Alumni Association for its continued service to Tuskegee Institute.

SECTION 2. The Mayor of Indianapolis is invited to join in the expression of this resolution by affixing his signature hereto.

PROPOSAL NO. 375, 1978. Councilman Howard moved, seconded by Mr. Hawkins, to advance Proposal No. 375, 1978, on the agenda so that it could be heard by the Committee of the Whole. He then explained that he had received a

letter, which had been reproduced for all council members, from Mr. Daniel Karnowsky, stating that the pari-mutuel wagering issue could be added to the November 7 ballot as referendum if submitted on October 10. Mr. SerVaas commented that the constitutionality of pari-mutuel wagering was now before the Indiana Supreme Court, and that no action should be taken until a decision is handed down from the Court. Mr. West also pointed out that since absentee balloting has already begun, some citizens would be denied the right to vote on the issue. Mr. Clark said that it would be possible to have the question on the primary ballot. Following discussion, the motion to advance Proposal No. 375, 1978, on the agenda, failed on the following roll call vote; viz:

8 AYES: Mr. Campbell, Mr. Cantwell, Mr. Hawkins, Mr. Howard, Mrs. Journey, Mr. Pearce, Mr. Vollmer and Mr. Walters.

19 NOES: Mr. Anderson, Mrs. Brinkman, Mrs. Chambers, Mr. Clark, Mrs. Coughenour, Mr. Dowden, Mr. Durnil, Mr. Gilmer, Mr. Kimbell, Mr. Lyons, Mr. McGrath, Mr. Miller, Mr. Patterson, Mr. Schneider, Mr. SerVaas, Mrs. Stewart, Mr. Tinder, Mr. Tintera, and Mr. West.

1 NOT VOTING: Mr. Boyd.

as amended was adopted by unanimous voice vote, retitled COUNCIL RESOLUTION NO. 18, 1978, and reads as follows:

CITY—COUNTY COUNCIL RESOLUTION NO. 18, 1978

A COUNCIL RESOLUTION directing the Public Safety and Criminal Justice Committee of the Indianapolis City-County Council to investigate certain practices of the Indianapolis Police Department and the Citizens Complaint Office.

WHEREAS, in the cases of Lises J. Hardy and Edward Lynn Smith, the Indianapolis Police Department has shown gross negligence certain practices and operational procedures in citizens rights; now, therefore:

**BE IT RESOLVED BY THE CITY—COUNTY COUNCIL OF THE
CITY OF INDIANAPOLIS AND OF MARION COUNTY, INDIANA:**

SECTION 1. The Indianapolis City-County Council constitute its Public Safety and Criminal Justice Committee as an investigation committee with subpoena power (as authorized by Chapter 2, Art. II, Div. 2, Rule 3, Sec. 2-85 of the Code of Indianapolis and Marion County, Indiana) to investigate certain practices and operational procedures of the Indianapolis Police Department and the Citizen Complaint Office.

SECTION 2. Such committee be instructed to specifically address the following issues:

- 1. Considering that the arresting officers were White, the arrested adult and child both Black, and the community integrated, did the officers act with reasonable sensitivity or did they overact relative to the extremely mild nature of the circumstances. What is the adequacy of the formal training and guidelines available to officers concerning their response to these kinds of situations. Did the principle officer act within or without accepted procedures of the Department?**
- 2. The complainants appeared in court on several occasions only to be told that the arresting officer had not found it convenient to be there and that they would have to return. To what degree is this typical of the handling of similar cases? What can be done to protect innocent citizens from the expenses and inconvenience of this type of capriciousness.**
- 3. Although the complainants explicitly followed the established procedure for filing a grievance with the Citizens Complaint Office, they were never shown the courtesy of even a routine response. To what degree is this typical of the handling of such complaints? What can be done to insure that there is reasonable turn around time within the citizen grievance process?**
- 4. Timely, reasonable, and formal request for information was made of Chief of Police, Eugene Gallagher, by the Councilman in whose district the incident occurred. The response was unsatisfactory in the Councilman's opinion. What guidelines are there (or should there be) concerning a Councilperson's access to information and the responsibility of the Chief of Police in making it available?**

SECTION 3. The Public Safety and Criminal Justice Committee will make its findings known at the December 11, 1978, meeting of the City-County Council.

Councilman McGrath, Chairman of the Transportation Committee, reported that the Metropolitan Development Department opposed the passage of this proposal permitting parking on East Washington Street between Southeastern and Sheridan Avenues. The motion carried on the following roll call vote; viz:

14 AYES: Mr. Bayt, Mr. Boyd, Mrs. Brinkman, Mr. Campbell, Mr. Cantwell, Mrs. Coughenour, Mr. Hawkins, Mr. Howard, Mrs. Journey, Mr. Pearce, Mr. Schneider, Mr. Vollmer, Mr. Walters and Mr. West.

The motion carried on the following roll call vote; viz:

PROPOSAL NO. 437, 1978. By consent, the rules were suspended and the proposal was heard before the Committee of the Whole. He then moved, seconded by Mr. Kimbell, the following amendment:

CITY—COUNTY COUNCIL MOTION

Mr. President:

I move to amend Proposal No. 437, 1978, as follows:

SECTION 1, Line 10:

Delete the word "said" and insert the words "any such".

"which is entered into by the owner and any other said person; corporation, public or private; partnership; business or other organization which provides public services or public accomodatons."

SECTION 1, Line 12:

Insert, between the words "agreement" and "shall", the following:

"Delete the words "by the Controller"

s/Donald W. Miller

Mr. Richard Clem, Attorney for Uncle Ralph's Taxi Service, stated his client opposed the amendment because it permitted the Controller to restrain trade. Mr. Richard Hunt, President and General Managers of Yellow Cab Company, also protested the amendment as being in restraint of trade. Mr. Ted Wilson, Attorney for Mrs. Deborah Stearns and Mr. William Sharp, endorsed the amendment as being beneficial for the independent cab drivers. PROPOSAL NO. 301, 1978. Mr. Tinder reported from the Rules & Public Policy Committee that more definitive rules and guidelines should be outlined. Mr. West then moved, seconded by Mrs. Chambers, to send this proposal back to committee until after the National League of Cities Conference at which time Council members could inquire of council members from other cities how such matters are handled in their respective cities.

PROPOSAL NO. 379, 1978. Mr. Tinder reported on this proposal placing a ceiling on the bonded indebtedness of the City. He stated that there is currently a statutory limit on the amount of bonding of each agency. Indianapolis is only to 45% of its limit. If the proposal were adopted, the City would have reached 90% of its limit which could affect its AAA bond rating. Monetarily this could mean the City's interest rate could be raised $\frac{1}{4}$ of 1%. Mr. Tinder then moved, seconded by Mr. West, to strike Proposal No. 379, 1978. Mr. West commented that if the proposal passed, Indianapolis' bond rating could be lowered to "A". Mr. Cantwell stated that Indianapolis had the highest indebtedness it has ever had and the population is continually decreasing, and the assessed valuation is also down. Mr. Clark mentioned the necessity of bond issues as having the people who benefit from certain services help to pay for them. Mr. Tintera stated his belief that in an inflationary periods making capital expenditures was good strategy. Mr. Pearce, sponsor of the proposal, closed by stating he believed there was the need to cut long-term spending and long-term borrowing. The question was then called. Proposal No. 379, 1978, was stricken on the following roll call vote; viz:

SPECIAL ORDERS – PUBLIC HEARING

PROPOSAL NO. 491, 1978. This proposal concerned the rezoning of 8.7 acres at 5901 Kentucky Avenue from A-2 to I-1-S zoning to permit light industrial. As the councilman who called this proposal for hearing, Mr. Walters was allotted two minutes for comments. He stated that the parties had not attempted to compromise, and that he wished to remain neutral in the proceedings.

As provided in Sec. 2-211 of the Code, the petitioner was permitted twenty minutes to present his case. Mr. William LeMond, Attorney, represented the petitioners, Mr. Robert Deerwester and Dorothy Lannan. Mr. LeMond stated that the remonstrators' major opposition was to Mr. Deerwester's inability to get proper variances. He then explained that Mr. Deerwester owned less than 15 percent of the total property to be rezoned. Mrs. Dorothy Lannan owns more than 50 percent of the property. Mr. LeMond explained that Mr. Deerwester began Soundtel Systems in his home as storage of electronic components. Originally the variance was not approved, then upheld in trial court, and then reversed in appeals court. He also stated that the Comprehensive Land Mass Plan recommended designating that area for light industrial. Mr. Herman Strakis and Mrs. Betty Helmuth spoke in favor of the rezoning as a means of increasing the tax base for Decatur Township. The time keeper, Mr. Vollmer, stated the petitioner had five minutes and fifteen seconds remaining for rebuttal.

Mr. Frank Ottee, Attorney, represented the remonstrators – the property owners in the immediate area. The remonstrators were also allotted twenty minutes for their presentation. Mr. Ottee began by stating that rezoning would provide two corners ideal for fast food chains which the neighbors opposed. Mr. Ottee stated that in 1974 began an addition to his home without a building permit. When he attempted to get a variance, it was denied. Later, he was fined in contempt of

of court. Eighteen homes would be directly affected by the rezoning. Mr. Mackel of the area stated that it caused illegal crossing of the centerline of Kentucky Avenue. The remonstrators had nine minutes and twenty seconds remaining for rebuttal.

Council discussion followed, during which time the notification process of area residents of possible rezoning was questioned.

During the rebuttal period, the petitioner stated that Mr. Deerwester went through three years of litigation and paid all fines. The remonstrators were incorrect in stating that fast food restaurants would be built because a I-1-S classification does not allow for them. As having the lowest per capita tax revenue, Decatur Township could use the tax base the business would provide.

In his final statement, Mr. Ottee stated that this hearing was the last opportunity for the desire of the neighborhood to be accomplished.

Mr. Walters stated in closing, that he wanted all Council members to vote their conscious, and he requested consent to abstain. Mrs. Brinkman moved, seconded by Mr. West, to require Mr. Walters to vote. The motion carried by voice vote.

The Chair explained that 20 "no" votes were required to override the ruling of the Metropolitan Plan Commission. The Commission was upheld on the following roll call vote; viz:

9 AYES: Mr. Boyd, Mr. Cantwell, Mr. Dowden, Mr. Hawkins, Mr. Howard, Mrs. Journey, Mr. Pearce, Mr. Vollmer and Mr. Walters.

18 NOES: Mr. Anderson, Mrs. Brinkman, Mrs. Chambers, Mr. Clark, Mrs. Coughenour, Mr. Dowden, Mr. Durnil, Mr. Gilmer, Mr. Kimbell, Mr. Lyons, Mr. McGrath, Mr. Patterson, Mr. Schneider, Mr. SerVaas, Mrs. Stewart, Mr. Tinder, Mr. Tintera and Mr. West.
